Date:

The internal audit department is undergoing a quality assurance review (QAR). The purposes of this review are to:

- Assess the efficiency and effectiveness of the internal audit department.
- Identify opportunities and offer ideas and counsel for improving the performance of the department.
- Compare internal audit department procedures with the **Standards for the Professional Practice of Internal Auditing** and assess the department's compliance with the **Standards** and with its own policies and procedures.

Your candid response to the enclosed survey will assist the QAR team in assessing strengths and identifying areas for improvement.

Since this questionnaire is being sent to a selected sample or personnel, please return your comments on the original form so that we may maintain the integrity of that sample. You may, of course, incorporate your staff's comments on the original response form. When completed, please return the survey to the QAR team in the enclosed envelope on or before (Date). Your responses will be kept confidential. Without identifying specific respondents, a summary of the responses will be shared with internal auditing management.

We welcome your comments.
