Readers Choice Coding Manual:

Children's Reading Choices Martin Coles,Christine Hall,2002-01-04 Children s Reading Choices discusses the reading habits of children aged between 10 and 14 The book reports the findings of the Children s Reading Choices project conducted by the authors from the University of Nottingham and the largest national survey of children s reading choices since the 1970s The book includes reports and discussion on girls and boys reading preferences and the differences between their reading habits the place of series books teenage magazines and comics in children s reading the most popular authors and titles at different ages purchasing habits and library use

Handbook of Moral Behavior and Development William M. Kurtines,Jacob Gewirtz,Jacob L. Lamb,2014-02-04 The publication of this unique three volume set represents the culmination of years of work by a large number of scholars researchers and professionals in the field of moral development The literature on moral behavior and development has grown to the point where it is no longer possible to capture the state of the art in a single volume This comprehensive multi volume Handbook marks an important transition because it provides evidence that the field has emerged as an area of scholarly activity in its own right Spanning many professional domains there is a striking variety of issues and topics surveyed anthropology biology economics education philosophy psychology psychiatry sociology social work and more By bringing together work on diverse topics the editors have fostered a mutually beneficial exchange not only between alternative approaches and perspectives but also between applied and pure research interests The Theory volume presents current and ongoing theoretical advances focusing on new developments or substantive refinements and revisions to existing theoretical frameworks The Research volume summarizes and interprets the findings of specific theory driven research programs reviews research in areas that have generated substantial empirical findings describes recent developments in research methodology techniques and reports research on new and emerging issues The Application volume describes a diverse array of intervention projects educational clinical organizational and the like Each chapter includes a summary report of results and findings conceptual developments and emerging issues or topics Since the contributors to this publication are active theorists researchers and practitioners it may serve to define directions that will shape the emerging literature in the field
