Cautious Beginnings Kurt F. Jensen, 2009-01-01 Kurt F Jensen argues that Canada was a more active intelligence partner in the Second World War alliance than has previously been suggested He describes Canada s contributions to Allied intelligence before the war began as well as the distinctly Canadian activities that started from that point He reveals how the government created an intelligence organization during the war to aid Allied resources This is a convincing portrait of a nation with an active role in Second World War intelligence gathering one that continues to influence the architecture of its current capabilities

The Cautious Maiden Dawn Crandall, 2016-10-04 Violet Hawthorne is beyond mortified when her brother Ezra turns their deceased parents New England country inn into a brothel to accommodate the nearby lumberjacks but when Violet s own reputation is compromised the inn becomes the least of her worries In an effort to salvage her good name Violet is forced into an engagement with a taciturn acquaintance Vance Everstone As she prepares for a society wedding Violet learns that her brother had staked her hand in marriage in a heated poker game with the unsavory Rowen Steele and Ezra had lost Now Rowen is determined to cash in on his IOU With danger stalking her and a new fianc who hides both his emotion and his past Violet must decide who to trust and who to leave behind

The Cautious Jealous Virtue Annette Baier, 2010-04 Like David Hume whose work on justice she engages here Annette C Baier is a consummate essayist her spirited witty prose captures nuances and telling examples in order to elucidate important philosophical ideas Baier is also one of Hume s most sensitive and insightful readers In *The Cautious Jealous Virtue* she deepens our understanding of

Hume by examining what he meant by justice In Baier s account Hume always understood justice to be closely linked to self interest hence his description of it in *An Enquiry Concerning the Principles of Morals* as the cautious jealous virtue but his understanding of the virtue expanded over time as evidenced by later works including his *History of England* Along with justice Baier investigates the role of the natural virtue of equity which Hume always understood to constrain justice in Hume s thought arguing that Hume s view of equity can serve to balance his account of the artificial virtue of justice The Cautious Jealous Virtue is an illuminating meditation that will interest not only Hume scholars but also those interested in the issues of justice and in ethics more generally
