Runnin' Down a Dream Bill Gurley, 2026-02-24 Life is a use it or lose it proposition Shouldn't you spend it doing something you love This book will teach you how to find your dream job and avoid a career you'll regret from a leading venture capitalist based on his viral college talk Fantastic A variety of useful insights and examples that converge into one story that underlies remarkable success in nearly any field The relentless hunger to learn about the thing you love James Clear 1 New York Times bestselling author of Atomic Habits For many young people the path to success feels like a conveyor belt onto the next test the next application the next college without ever stopping to ask what do I actually want to do with my life Parents know the pressure can be overwhelming yet the system pushes everyone forward anyway After college Bill Gurley landed a job at a famous tech company It should have been a dream come true but he was surprisingly bored So Gurley leapt into the unknown eventually finding his place in the world of venture capital the beginning of a remarkable investing career It turns out Gurley's happy ending is rare Nearly six in ten people would do things differently if they could start over This is the trap of career regret So how can we avoid it What can we learn from

people at the top of their fields who love what they do The culmination of Gurley s decade long project to unpack the components of success Runnin Down a Dream identifies six principles to flourish in your chosen career the antidotes to career regret From developing obsessive curiosity to the art of building strong peer groups these timeless principles add up to a playbook not just for success but a purpose filled life Written in Gurley s straight talk voice and revealing the captivating stories of industry titans like talent agent Lorrie Bartlett restaurateur Danny Meyer and sports executive Sam Hinkie Runnin Down a Dream will inspire a new generation to find their place in the world while offering a much needed rebuttal to the idea that hustle and happiness are incompatible
