Reading and Writing papers Speaking 1 Teacher's Book Joanne Collie, Stephen Slater, Liz Driscoll, 1994-10-20 Speaking 2 Teacher's Book provides full practical support for teachers working with Speaking 2 PB **Timesaver Speaking Activities** Peter Maggs, Jon Hird, 2011 *Essential Speaking Skills* Joanna Baker, Heather Westrup, 2003-05-01 Practical and easy to use *Essential Speaking Skills* is the definitive guide to teaching speaking to students of English as a second or additional language Brimming with invaluable advice on teaching approaches and practical classroom ideas and learning activities the handbook is specifically designed for teachers who teach large classes with very few resources The clear explanations and the activities are suited to both new and experienced teachers of English and can be used in junior and senior secondary school classrooms and for adult learners *Speak Fast* Ahmad JAVADI, Maryam JAVADI, 2017-03 LEVEL The book is intended mainly for pre intermediate students students who have already studied basic English conversation It concentrates on words that pre intermediate students want to use but often cause difficulty Some advanced students who have problems with essential conversation words will also find this book useful The book is not suitable for the elementary learner HOW THE BOOK IS ORGANIZED There are 58 units in the book Each unit concentrates on a particular speaking topic For a list of units see the contents page at the beginning of the book Each unit consists of two facing pages On the left there is vocabulary and sentence examples On the right there are questions and paragraphs HOW TO USE THE BOOK The units are not in order of difficulty so it is not intended that you work through the book from beginning to end Every learner has different problems and students should use this book to help them with the unit they find difficult It is suggested that students work in this way Use the contents page to find which unit deals with the topic the student is interested in Study the vocabulary and sentences on the left hand page of the chosen unit Use the right hand page to read the questions and paragraphs TO THE TEACHERS *Speak Fast* was written as a self study book for students but teachers may also find it useful as additional course material in cases where further work on conversation is necessary The book will probably be most useful at the pre intermediate level where all or nearly all of the material will be relevant It can serve both as a basis for revision and as a means for practicing new sentences It will also be useful for some more advanced students who have problems with common words and need a book for reference and practice The book is not intended to be used by elementary learners The units are not ordered according to level of difficulty so the book should not be worked through from beginning to end It should be used selectively and flexibly in accordance with the topic areas students need to work on The book can be used for immediate consolidation and for revision or remedial work It might be used by the whole class or by individual students needing extra help The left hand pages are written for the student to use individually but they may be used by the teacher as a source of ideas and information to base a lesson plan The student then has the right hand page as a record of what has been taught and can refer to it in the future Additionally individual students can be directed to study certain units of the book by themselves if they have difficulties not shared by other students in their class *Speaking* Cheryl Pelteret, 2012 You need
