*Sheikh Abdullah* Chitralkha Zutshi,2024-05-28 A compelling biography of Sheikh Abdullah the charismatic combative and controversial Kashmiri politician Written by the leading historian of modern Kashmir this is a comprehensive portrayal of one of the most enigmatic politicians in modern South Asia Sheikh Muhammad Abdullah known as the Lion of Kashmir Abdullah 1905 1982 devoted much of his life to mobilizing Kashmiris to assert their rights to trying to achieve a fair resolution for their politically contested state to shaping its turbulent relationship with India and to bridging the divide between India and Pakistan Although he forged ties with the Indian National Congress Abdullah s support for Kashmir s accession to India and his advocacy for a more autonomous position for the state within the Indian Union complicated his relationship with India and led to his fall from grace arrest and imprisonment In 1975 he reached a compromise with India that alienated generations of Kashmiris for whose self determination he had long fought The people of Kashmir India and Pakistan continue to grapple with and contest his legacy Zutshi s rigorously researched and elegantly crafted biography brings this complex figure to life and offers a window onto the political fissures of twentieth century South Asia more broadly
