Matos,2022-11-10      **Reflections on Religious Literacy** Leo Van Arragon,2026-01-23 Sometimes a conundrum creates opportunity to go back to basics This book was inspired by productive irritation arising from a conundrum at the intersection of three worlds Van Arragon inhabits each of which holds assumptions about religion and religious literacy The author s personal world professional life as an educator in a Christian school system and the academic world he entered after retirement all worked with ideas about religion including what it is and its purposes in individual and collective lives Though each assumes its ideas are true these worlds live in creative tension with each other Even though people are obsessed with religion in this secular age we don t know what to do with it and it lives on the margins of educational respectability Readers can join Van Arragon on a trip to resolve key questions of this conundrum What is religion What are objections to religion that marginalize it in education What is literacy What is religious literacy and why is it essential for students The author argues that religion is a foundational human capacity that equips us to ask big questions of meaning and destiny fundamental to education Religious literacy equips students to successfully navigate their worlds and their own spirit quests and is an essential component of critical thinking

*Cheerfulness* Timothy Hampton,2022-05-24 A timely story of a forgotten emotion  
*Cheerfulness* A Literary and Cultural History tells a new story about the cultural imagination of the West wherein cheerfulness a momentary uptick in emotional energy a temporary lightening of spirit functions as a crucial theme in literary philosophical and artistic creations from early modern to contemporary times In dazzling interpretations of Shakespeare and Montaigne Hume Austen and Emerson Dickens Nietzsche and Louis Armstrong Hampton explores the philosophical construal of cheerfulness as a theme in Protestant theology a focus of medical writing a topic in Enlightenment psychology and a category of modern aesthetics In a conclusion on cheerfulness in pandemic days Hampton stresses the importance of lightness of mind under the pressure of catastrophe A history of the emotional life of European and American cultures a breathtaking exploration of the intersections of culture literature and psychology *Cheerfulness* challenges the dominant narrative of Western aesthetics as a story of melancholy mourning tragedy and trauma Hampton captures the many appearances of this fleeting and powerfully transformative emotion whose historical and literary trajectory has never before been systematically traced
