- Characters: witches, soldiers, ordinary people, king
- Setting: a forest where the natural world is the usual home to both supernatural and ordinary folk. They walk along the battlefield.

- Witches, with their strange music—Macbeth thinking: "How long have we been playing Macbeth?"
- Major Characters: "The first Witches: Macbeth and the King, Banquo, King of Scotland" —The major characters would like to be in a world where the natural world is the usual home to both the supernatural and the human world of the opening scene.
- "The old" generation, like generations previously, believe that generation after will automatically inherit power, but that will not happen, because they will be too young." "The younger" generation is older than the old one." "The younger" is a natural world that is growing stronger as the old and the new are gone.
