This document provides guidelines for preparing a research synopsis (and indirectly of the final report of your work that will be presented at the end of your research program). The research synopsis is the plan for your research project. It provides the rationale for the research, the research objectives, the proposed methods for data collection and recording formats and/or questionnaires and interview guides. The synopsis is based on the information provided by the supervisor(s) and by secondary sources of information. In the final report you will present the results of your data collection and elaboration, with the discussion and the conclusion.
