RELATED CASE FILES	The Man Behind the Red Hood, The Joker's Five Way Revenge, The Laughing Fish, The Killing Joke, Going Sane, Emperor Joker, Last Laugh, The Man Who Laughs		

NOTES

During the week of the Joker's first killing spree, Arkham Asylum for the Criminally Insane reopened its doors after being closed for years. I keep telling myself it was only a coincidence.

The Joker is easily the most dangerous individual I have ever met. And I've met gods. On paper, he doesn't appear to be much of a threat. He's an average hand-to-hand combatant, not particularly trained in any fighting style. He doesn't possess any extra-normal abilities or metahuman powers. And while he employs an elaborate selection of deadly "gags" (see *Joker Venom*), his arsenal never proves extraordinarily daunting.

What separates the Joker from the pack is his mind, or some would argue the lack thereof. The Joker is a walking engine of chaos with no regular method of operations. He doesn't seem to need a reason to do what he does, which makes it nearly impossible to predict his next move.

Professor Dennis O'Neil, one of the world's leading experts in criminal psychiatry, said it best in his rather sensational best-selling book, *Laughing At You: The Joker Story*:

"On one particular day, the Joker might spare a man's life, simply because he liked his shoelaces. The next day, he might kill a man, simply because he liked his shoelaces."

Two weeks after his book's publication, O'Neil was found dead in his kitchen, his face twisted into a rictus grin and his head bound in shrink-wrap.

This is how the Joker operates. The world is a sick and twisted joke to him, and only he seems to get the punch line.

It's this chaotic behavior that gives him the world's most disturbing and effective poker face. The Joker can shift in an instant from being an elaborately costumed criminal out to make a gaudy spectacle of Gotham, into a psychotic killer, attempting to elevate murder to the level of fine art. And somewhere along the way, he became obsessed with the concept of the Batman, as if I'm nothing more than the straight man to his jokes.

Joker's obsession has led him to do irreparable damage to those few individuals who have gotten close to me over the years. He shot and paralyzed Barbara Gordon, and murdered Jim Gordon's wife, Sarah, with about as much thought as a person gives to swatting a fly. And then there was what he did to Jason.

The Joker's background is as clouded with mystery as his motivations. Joker himself has told several conflicting tales about how he came to be, the most legitimate of which implies that the Joker was originally a failed stand-up comedian, thrust into his current lifestyle by a traumatic incident involving the death of his wife. Circumstances led to his donning the role of the masked criminal known as the Red Hood. (CONTINUED)
