PANDEMONIUM is truly a first of its kind and a necessity for the further development of traditional magic in a modern context While not intended to be the last word it opens up territory that demands further examination It starts with the first English translation of a major spirit catalogue and ends with an appendix redefining traditional grimoirists Sandwiched between these is a comparative survey of several important spirit catalogues which is much more than a dictionary of demons Totally geared to emergent practice leading us away from the prevalent focus on tools and rules authors and manuscripts towards a developing relationship with the dramatis personae essential to the whole tradition

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.

The Secret History is a exceptional and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
