John C. Bogle's most influential investment books available together for the first time. John C. Bogle, the founder of Vanguard, a trillion-dollar investment management company, is one of the most respected authors in the financial world. Now, for the first time, The John C. Bogle Reader brings together three of his bestselling books in one definitive collection. Don't Count on It presents Bogle's unique insights into the world of mutual fund investing and the mutual fund industry. Common Sense on Mutual Funds addresses how the mutual fund industry has changed over the past twenty years and how best to arrange and manage funds in today's world. The Little Book of Common Sense Investing recommends a simple, time-tested investment strategy sure to deliver the greatest return to the greatest number of investors. Essential reading for investors everywhere. The John C. Bogle Reader brings together the life-changing works of mutual fund pioneer John C. Bogle in one comprehensive anthology. The Bogleheads' Guide to Investing Taylor Larimore, Mel Lindauer, Michael LeBoeuf, 2006-04-20
Within this easy-to-use, need-to-know, no-frills guide to building financial well-being is advice for long-term wealth creation and happiness without all the worries and fuss of stock pickers and day traders. **Common Sense on Mutual Funds, Updated 10th Anniversary Edition** John C. Bogle, 2009-12-02
John C. Bogle shares his extensive insights on investing in mutual funds. Since the first edition of Common Sense on Mutual Funds was published in 1999, much has changed, and no one is more aware of this than mutual fund pioneer John C. Bogle. Now, in this completely updated Second Edition, Bogle returns to take another critical look at the mutual fund industry and help investors navigate their way through the staggering array of investment alternatives that are available to them. Written in a straightforward and accessible style, this reliable resource examines the fundamentals of mutual fund investing in today's turbulent market environment and offers timeless advice in building an investment portfolio. Along the way, Bogle shows you how simplicity and common sense

invariably trump costly complexity and how a low cost broadly diversified portfolio is virtually assured of outperforming the vast majority of Wall Street professionals over the long term

The Four Pillars of Investing, Second Edition: Lessons for Building a Winning Portfolio William J. Bernstein, 2023-07-25

The classic guide to constructing a solid portfolio without a financial advisor. First published two decades ago, *The Four Pillars of Investing* has been the go-to resource for an entire generation of investors. This updated edition of the investing classic provides the foundational knowledge you need to avoid the most common pitfalls and build a portfolio in today's roller coaster world of investing. Retired neurologist and master investor William J. Bernstein has seen it all throughout his career: buying investments with borrowed money, chasing past performance, overestimating one's own risk tolerance, listening to cable news. These are just a few of the many mistakes he has witnessed smart, serious investors make to the peril of their portfolios. Add to these behavioral errors such economic factors as deflation, sudden stock declines, soaring inflation, and the like, and investing can seem like something to be avoided at all costs. But with the right discipline and knowledge, you can build and manage an impressive portfolio. It all comes down to understanding four key pillars: Theory, Risk, and Return go hand in hand; you can't make money without risk; History: understand past markets to understand today's markets; Psychology: avoid the most common behavioral mistakes that tank portfolios; Business: the cost of investment services can be high, unreasonably high. After taking you on a deep dive into each of these topics, Bernstein walks you through the process of designing and maintaining a powerful portfolio. Times have changed, economies have changed, and markets are ever-changing. But sound investing principles haven't changed. Use *The Four Pillars of Investing* to stay a step ahead of your investing peers and build a portfolio to be proud of.
