Collusions of Fact and Fiction
Ilka Saal, 2021-12-15 *Collusions of Fact and Fiction* traces a generational shift in late twentieth century African American cultural engagements with the history and legacies of transatlantic slavery With a focus on works by playwright Suzan Lori Parks and visual artist Kara Walker the book explores how in comparison to the first wave of neo slave narratives of the 1970s and 1980s artists of the 1990s and early 2000s tend to approach the past from the vantage point of a liberal entanglement of fact and fiction as well as a highly playful often humorous and sometimes irreverent signifying on entrenched motifs iconographies and historiographies Saal argues that the attempt to reconstruct or recuperate the experience of African Americans under slavery is no longer at stake in the works of artists growing up in the post Civil Rights era Instead they lay bare the discursive dimension of our contemporary understanding of the past and address the continued impact of its various verbal and visual signs upon contemporary identities In this manner Parks and Walker stake out new possibilities for engaging the past and inhabiting the present and future

Contemporary Authors CONTEMPORARY.,1981 *Ruminations, Peregrinations, and Regenerations* Christopher J. Hansen,2010-03-08 Peregrinations Ruminations and Regenerations A Critical Approach to Doctor Who examines the famous BBC science fiction show as a cultural artifact in dialogue with other science fiction with politics and religion and with the culture at large both in terms of how it reflects and comments upon that culture and in terms of the audience and the peculiarities of its response This book enables researchers in film and media to make historical industrial aesthetic and ideological connections between and among Doctor Who and other shows and historical events since its inception in 1963 This volume is a new entry in a relatively new area As the young fans of Doctor Who have matured and as many have become scholars they are returning to the show to consider it from a scholarly perspective It is also of use in the media studies classroom to address directly the issues presented by the longest running science fiction show in the history of the medium Peregrinations Ruminations and Regenerations considers not only cultural ramifications and connections but audience studies as well

Science Fiction & Fantasy Book Review Annual ,1991 The Palgrave Encyclopedia of Victorian Women's Writing Lesa Scholl,Emily Morris,2022-12-15 Since the late twentieth century there has been a strategic campaign to recover the impact of Victorian women writers in the field of English literature However with the increased understanding of the importance of interdisciplinarity in the twenty first century there is a need to extend this campaign beyond literary studies in order to recognise the role of women writers across the nineteenth century a time that was intrinsically interdisciplinary in approach to scholarly writing and public intellectual engagement
