Understanding Sociological Theory for Educational Practices Tania Ferfolja, Criss Jones Diaz, Jacqueline Ullman, 2018-06-04 Understanding Sociological Theory for Educational Practices introduces readers to the contemporary classroom through the lens of sociological theory By compelling readers to think critically and reflexively this book helps future teachers create a welcoming and equitable learning environment for all students This edition has been updated to include the latest research and resources including links to the Australian Professional Standards for Teachers APST to help readers connect the theory with their practice Learning is supported through pedagogical features including key terms case studies end of chapter reflection questions and recommended resources A new companion website features a curated suite of reading materials extension questions and links to online resources Understanding Sociological Theory for Educational Practices is an essential resource that enables teachers to confidently navigate the topics of diversity disadvantage discrimination and marginalisation in a range of educational contexts

Reframing Bullying Prevention to Build Stronger School Communities James Dillon, 2015-03-18 Tackle

underlying issues to get to the root of bullying By reframing bullying prevention you can make significant progress in addressing the underlying issues causing bullying and aggression in your school In this resource James Dillon digs into the work that busy educators often have little time for translating rich and insightful research on the dynamics of change into practical terms He probes deeply into the issues and why they persist in our schools to promote meaningful conversation among school staff and parents Inside you ll find Vignettes analogies and real life examples along with tools that illustrate the benefits of using alternative methods to prevent bullying Discussion on transforming the role of discipline to reframe bullying among teachers administrators and students Key ideas and concepts summarized in easy to understand bullet points and charts Guidance on how to establish a school climate that promotes empathy and compassion instead of fear Reframing bullying prevention will allow competent and caring educators students and parents to not just stop bullying but to improve the learning environment for all students With bullying in our schools intensifying and becoming a dangerous detriment to both the learning process and to the self esteem of our students James Dillon provides sound strategies and realistic conversations that must become integral to the reduction and prevention of bullying in the schools Lori L Grossman Educational Consultant Houston TX While this book focuses on bullying prevention the reframing process will change much more Following the author s ideas has the potential to dramatically and positively reframe a school culture to match the needs of the 21st century learners and educators Scott A Miller Teacher The American School of Kinshasa Kinshasa Democratic Republic of Congo

A Parent's Guide to Understanding and Responding to Bullying Arthur M. Horne, Christopher D. Bell, 2008 This unique manual was developed to help parents assist their children in dealing with bullying situations The book promotes an understanding of the nature and extent of bullying the physical emotional and educational consequences to children who are targets of bullying who do the bullying or who as bystanders are directly affected by witnessing bullying and victimization
