Animal Letters and Numbers Tracing Book Left

Handwriting Amanda Clever,2020-11-10 Consider the particular needs of your left handed child and remove the obstacles from learning to write The ultimate workbook for learning letters and numbers with animals just for left handers Left handed children have a bit of a challenge in school since writing numbers with the left hand is more difficult than with the right They often feel the urge to write from right to left mirror writing and very few elementary school teachers are trained in educating left handed children Thus it s helpful for left handers to begin learning to write numbers even before they start school and they should be encouraged to do so It doesn t get easier than this Developed specifically for left handed children this pre school workbook effectively helps your child write with their left hand Customized writing direction It is much easier for left handers to write vertical strokes downward and horizontal strokes from right to left Optimized layout The letters and numbers are shown on both the left and right sides of every line This allows the letters and numbers to stay visible and not be covered by the left hand Animal fun Who says learning numbers has to be boring Our fun educational early learning workbook guarantees your child will have fun preparing for school And best of all You can cater to your child s special requirements offer them a cognitive head start and promote their intellectual development all while having fun Details at a glance Learning the letters Aa Zz and numbers 0 30 perfect for children Writing direction is customized for left handers Each letter is shown with a corresponding animal to color Each number is shown with the corresponding number of animal pictures The perfect preparation for pre school and elementary school Suitable for children ages 4 7 Scroll up and click Buy now to get your copy of this animal workbook for left handers and provide your child with optimal preparation for success in school
