Beginner Guitar Christian J. Triola, 2018-07-23

There s something irresistible about guitar It s music and art Modern and classic Beautiful and rugged It s time alone and time with friends It s timeless It s for everyone It s a whole lot of fun And now it s easier to learn than ever before

Learn at your own pace You open the book flip past the section about the various types of guitars and equipment You re on a mission You re thinking of that guitar you ve had sitting in the corner The one you promised yourself you d learn how to play

You pick it up turn to the section on tuning and before long you re ready to go

Next you follow the tabbed pages to the section on chords In minutes you ve learned how to read rhythm slashes and you re successfully strumming a couple of chords

On a high you flip to the section on note reading Minutes later you can play three notes on the first string and for the first time ever you re reading the notes on a staff and keeping time This is fun

You flip to the tablature section Woah this looks different but you read through the brief instructions and once again you find you can do it

Now you re playing notes on multiple strings and wait did I just play a song

Why didn't I start playing years ago you ask yourself That's because you never had Beginner Guitar the newest book in The Missing Method for Guitar family It's everything you need to get started Beginner Guitar is not just another method book it's a guide to entering the world of guitar for yourself Each section allows you to move step by step through everything you'll need to become a confident player Explore the basics of the instrument including different types of guitars and equipment Learn to play chords including power chords and progressions Discover how much fun it can be to use tablature read notes or play by ear Practice fingerpicking techniques Try out various playing styles country rock folk jazz blues and classical Learn how to care for your instrument and change strings And much more You choose where to place your focus and when We'll provide the instruction photos and diagrams to make it easy Experience you can trust The Missing Method for Guitar is dedicated to creating high quality instructional materials that inspire and empower all levels of guitar player from absolute beginners to professional guitarists Author Christian J Triola has a BA in Music Jazz Studies a Master's degree in Education over a dozen published guitar books and 15 years experience teaching hundreds of students of all ages to play guitar It's time Join the millions of people who have discovered the joy of playing guitar Scroll up order your copy and get started today Need a left handed edition We have that too Search Beginner Guitar Left Handed Edition The All in One Beginner's Guide to Learning Guitar **The Guitarist's Resource Guide** Joseph Rezits,1983 Adult Catalog: Subjects Los Angeles County Public Library,1970 Clendenen's Fashionable Quadrille Call Book and Guide to Etiquette...
