## **Application Form Aavin:**

Competitiveness of dairy sector with special focus on co-operatives in India Ranjith Kumar P.S, Prasanna Kumar P.S, Prem Jose Vazhacharickal, The Indian dairy industry has grown consistently ever since the white revolution of the 1970s making India the world's largest producer of milk. Milk production in India has been growing at over 4% annually and its share in milk production in the world has increased to 17 per cent. India's estimated milk production in 2015-16 was 155.49mt and continued to be the largest milk producing nation which is about 6.28 per cent higher than last year. Estimated per capita availability in 2015-16 was 337 grams per day, an increase of 4.7 per cent over the previous year. Anonymous 2016a. Despite the increase in production, a demand supply gap has become imminent in the dairy industry due to the changing consumption habits, dynamic demographic patterns, and the rapid urbanization of rural India. Indian dairy landscape is dominated by large vertically integrated dairy co-operatives like Gujarat Co-operative Milk Marketing Federation (GCMMF), Karnataka Milk Federation, and NDDB-led Mother Dairy. In the private sector, Britannia isn't a vertically integrated dairy company while Nestle is only partially integrated. Products from these companies are present across the country. Other private dairy companies like Hatsun Agro Heritage Foods, Parag Milk Foods, Prabhat Dairy, and Kwality are vertically integrated dairy companies but have a largely regional presence. Anonymous 2016a. GCMMF sells products under brand name AMUL, is the leading player in the dairy industry with a market share of 16%, followed by Mother Dairy Fruit Vegetable Pvt Ltd 9%, Karnataka Cooperative Milk Producers Federation Ltd 8%, GlaxoSmithKline Consumer Healthcare Limited 6%, and Tamil Nadu Cooperative Milk Producers Federation Ltd 5%. Some of the major private players include Hatsun Agro 2%, Heritage Foods 2%, Nestle India 2%, Mother Dairy Calcutta 2%, Hindustan Unilever HUL 1%, VRS Foods 0.9%, Britannia 0.7%, and Vadilal 0.7%.

*PROCEEDINGS OF NATIONAL SEMINAR ON MULTIDISCIPLINARY RESEARCH AND PRACTICE VOLUME 2* Dr. M. Kanika Priya, This Conference Proceedings of the National Seminar entitled Multidisciplinary Research and Practice compiled by Dr M Kanika Priya records various research papers written by eminent scholars, professors, and students. The articles range from English literature to Tamil literature, Arts, Humanities, Social Science, Education, Performing Arts, Information and Communication Technology, Engineering Technology, and Science, Medicine, and Pharmaceutical Research, Economics, Sociology, Philosophy, Business Management, Commerce, and Accounting, Teacher Education, Higher Education, Primary and Secondary Education, Law, Science, Mathematics, Physics, Chemistry, Zoology, Botany, Agriculture, and Computer Science. Researchers and faculty members from various disciplines have contributed their research papers. This book contains articles in three languages, namely English, Tamil, and Hindi. As an editor, Dr M Kanika Priya has taken up the tedious job of checking the validity and correctness of the research work in bringing out this conference proceedings in a beautiful manner. In its present shape and size, this anthology will hopefully find a place on the library shelves and enlighten the academics all round the world.
