But lately, with the limited space available for most people, especially in the cities, bonsai has really become quite a craze all over the world. The beauty of a bonsai tree is that it can be placed anywhere in your house, in your living room, or in your porch. It doesn't take much space. Aesthetically, it looks great and goes with any kind of home decor. It can be grown in any container and placed anywhere to add that natural touch to the place. But does it require no care? That's not true because just like your regular trees, a bonsai also requires proper care, fertilization, and watering. In fact, if you take good care of your miniature tree, it can survive for hundreds of years. Most people also think that only special varieties can be a bonsai tree. That's also not true.
