

A blue-tinted photograph of an industrial robotic arm in a factory setting. The robot is positioned on the left, with its arm extended towards the center. It is actively welding a metal component, which is held in place by another robotic arm on the right. Bright sparks are visible at the point of contact between the welding torch and the metal. The background shows a complex industrial structure with various pipes, beams, and lights, all rendered in shades of blue. The overall scene conveys a sense of precision and automation in a manufacturing environment.
