Project Management for Education Walter Ginevri,Bernie Trilling,2018-01-19 This unique book is for two audiences Read one way it is for educators flip it over and read the other way it is for project managers Project based learning PBL a set of engaging and powerful learning methods organized around motivating projects is one of the most popular ways to bring the skills used by project management into students educational experience giving them amazing opportunities to develop the essential 21st century competencies they need In *Project Management for Education The Bridge to 21st Century Learning* authors Bernie Trilling and Walter Ginevri provide a two in one guide for educators and project management professionals demonstrating how the two fields can work together By teaming up to enrich the experience of students both educators and project management professionals can continue to develop their own skills and better meet the challenges they face in our ever changing world

Practical Airport Operations, Safety, and Emergency Management Jeffrey Price,Jeffrey Forrest,2016-02-09 *Practical Airport Operations Safety and Emergency Management Protocols for Today and the Future* focuses on the airport itself not the aircraft manufacturers designers or even the pilots The book explores the safety of what s been called the most expensive piece of pavement in any city the facility that operates maintains and ensures the safety of millions of air passengers every year The book is organized into three helpful sections each focusing on one of the sectors described in the title Section One Airport Safety explores the airport environment then delves into safety

management systems Section Two Airport Operations continues the conversation on safety management systems before outlining airside and landside operations in depth while Section Three Airport Emergency Management is a careful detailed exploration of the topic ending with a chapter on the operational challenges airport operations managers can expect to face in the future Written by trusted experts in the field users will find this book to be a vital resource that provides airport operations managers and students with the information protocols and strategies they need to meet the unique challenges associated with running an airport Addresses the four areas of airport management safety operations emergency management and future challenges together in one book Written by leading professionals in the field with extensive training teaching and practical experience in airport operations Includes section on future challenges including spaceport unmanned aerial vehicles and integrated incident command Ancillary materials for readers to reinforce concepts and instructors teaching operations courses Focuses on the topics of safety operations emergency management and what personnel and students studying the topic can expect to face in the future

Beyond Belief Helen Pearson, 2026-04-28 The remarkable story of the global movement championing the idea that evidence not opinions should guide our decisions Today more and more people around the globe are using scientific evidence to figure out what works in health government and business as well as conservation schools and parenting This wasn't always the case This book tells the story of the evidence revolution a worldwide movement that promotes evidence based thinking and shows how it can help us all especially in an age of alternative facts For many years most medical advice was based on doctors opinions and conventional wisdom not solid science Helen Pearson describes how evidence based medicine swept the world in the 1990s becoming the predominant form of medicine practiced today and how the idea that evidence should guide decisions is quietly transforming a host of other fields as well Do police patrols reduce crime Do performance appraisals boost job performance Do welfare programs help the poor Do smaller classes aid learning Do smartphones harm teenagers At a time when science is under attack and questionable claims run rampant Pearson underscores the importance of evidence in all facets of our lives empowering each of us to sift fact from falsehood and misinformation from the truth Essential reading for the rational minded Beyond Belief is an engaging portrait of the mavericks visionaries and rebels who share the simple belief that decisions based on evidence make the world a better place
