*The Leader's Handbook: Making Things Happen, Getting Things Done* Peter R. Scholtes, 1997-12-22 Lead your organization into the 21st century with the help of this groundbreaking book that is already creating a stir in corporate boardrooms across America In a book that does for managers what his mega bestseller *The Team Handbook* did for teams Peter Scholtes who is widely acknowledged as one of the most influential Quality leaders of the decade shows the real root of management problems Learn how to stop blaming your workers and start changing the systems with the help of activities and exercises that enable you to immediately begin implementing breakthrough improvements in all your work processes

**The Leadership Handbook** John C. Maxwell, 2008 The path to leadership begins with a question only few of us ask How do I lead myself John Maxwell presents twenty six insights not just for those who aspire to positions of leadership but also for veteran leaders who aim to build and improve upon the steps that led them to the front of the line Sound leadership will impact any endeavor but sound leaders are prepared for risk and importantly failure just as they point the way toward achievement With application exercises and a Mentoring Moment to accompany each chapter *The Leadership Handbook* presents a road map for a path many may cross but few choose to follow A leader counsels Maxwell never has to recover from a good start Publisher's website

**The Leadership Handbook** Bomi Doctor, 2020-11-20 There are several types of leaders however essentially two variants one who holds the designation of a leader and the other whose job demands leadership quality You do not need to have a title to be a leader A good leader is one who develops leaders under him While a lot has been written on leadership few if any by an Indian who has worn out the soles of his shoes in the Indian corporate world from field to desk to leadership This book defines authentic leadership in the context of today's world What makes this book a great handbook for a new manager or a seasoned one is its Power of Simplicity which rests on actual experiences drawn from the author's own work life This is a great handbook for aspiring leaders and leaders as well and has lots of practical examples that actually allow leaders referral points to navigate their own corporate attitude associations and path A master at identifying pain points Doctor has left nothing to subtly and bluntly confront the issues at hand His plain speaking style will resonate with managers on the job like it has in the course of his various consultancy assignments A book to be thumbed through ever so often and in real time it is powerful and insightful A must read this book offers tremendous value in terms of guidance and growth for those young leaders who want to excel in their assigned roles For all those leaders who extract the lessons from this simple yet powerful book the reward in terms of results will be extraordinary The
