The second wife of a wealthy businessman wants her own bakery and money is no object. When murder unravels the plans for the competing shop Aunt Sarah is an immediate suspect and Hideaway Grove's merchants are on pins and needles about a big upcoming women's conference fearing the organization will cancel their booking because of the crime. Abbey's doing her best to stay optimistic and stitch some custom tote bags for the attendees but she's also concerned with patching up Aunt Sarah's good reputation. New Castle Official City Directory, 1927 **Maxwell History and Genealogy** Florence Amelia Wilson Houston, Laura Anna Cowan Blaine, Ella Dunn Mellette, 1916 Santa Cruz County Directory, 1921 **From Radio to Television** Vincent Terrace, 2022-10-20. The early years of television relied in part on successful narratives of another medium as studios adapted radio programs like Boston Blackie and Defense Attorney to the small screen. Many shows were adapted more than once like the radio program Blondie which inspired six television adaptations and 28 theatrical films. These are but a few of the 1,164 programs covered in this volume. Each program entry contains a detailed story line, years of broadcast, performer and character casts, and principal production credits where possible. Two appendices, Almost a Transition and Television to Radio, and a performer's index conclude the book. This first of its kind encyclopedia covers many little-known programs that have rarely been discussed in print, e.g. Real George based on Me and Janie. Volume One based on Quiet Please and Galaxy based on X Minus One. Covered programs include The Great Gildersleeve, Howdy Doody, My Friend Irma, My Little Margie, Space Patrol, and Vic and Sade. **New York**, 1994-04 Historical Dictionary of American Radio Soap Operas Jim Cox, 2005-11-15. The period from 1925 to 1960 was the heyday of the American Radio Soap Opera. In addition to being part of popular culture, the soap opera had important commercial aspects as well that were not only related to their production but also to the desperate need to sell products or perish. Both sides of this story are traced in this comprehensive compendium. The dictionary section made up of more than 500 cross-referenced entries provides brief vignettes of the more popular and also less well-known soaps among them Back Stage Wife, Our Gal, Sunday Pepper, Young's Family, and The Guiding Light. Other entries evoke those who brought these programs to life: the actors, announcers, scriptwriters, networks, and even the sponsors. Nor are the basic themes, the stock characters, and the gimmick forgotten. The book's introduction defines the soap opera, examines the span of the radio serial, reviews its origins and its demise, and focuses on the character types that made up its denizens. The chronology outlines the period and the bibliography offers further reading. Together these elements make a comprehensive reference work that researchers will find invaluable long into the future. **The Tammany Times**, 1912 **American Economist**, 1930
