Numerical Analysis

The background of the cover features a complex, abstract 3D visualization. It consists of several overlapping, semi-transparent surfaces and curves. The primary colors are shades of cyan, light blue, and green, set against a dark, almost black background. The shapes appear to be mathematical in nature, possibly representing a helix, a sphere, or a similar geometric form, rendered with a grid-like texture. The overall effect is one of depth and mathematical precision.
