be thought of as an uncontested space apart from the debates and power struggles of an adult domain We look in detail at series such as *The Mortal Instruments* *Twilight* *Chaos Walking* *The Power of Five* *Skulduggery Pleasant* and *Cirque du Freak* at novels about witches and novels about changelings at the Gothic in China Japan and Oceania and at authors including Celia Rees Frances Hardinge Alan Garner and Laini Taylor amongst many others At a time when the energies and anxieties of children s novels can barely be contained anymore within the genre of children s literature spilling over into YA and adult literature we need to pay attention Weird things are happening and they matter **The School Librarian** ,2005
