comes to diet and exercise I have made this program very easy to follow and applied rules that have proven to work time and time again This is a no gimmicks no nonsense plan This eBook contains the following information to ensure your success in the program 18 mins workout day for week 1 8 week easy to follow nutrition plan 4 complete home exercise routines 20 video links to home exercises 10 golden rules to secure your success ABOUT THE AUTHOR Alex Betts Founder of FitnessGuruSG com is passionate about health and fitness and enjoys seeing people make positive lifestyle changes to improve their well being Alex has helped transform hundreds of individuals to become healthier fitter and stronger physically and mentally At a young age Alex developed a fascination for the potential of the human body to be sculpted and to demonstrate strength confidence and power After seeing my body start to change shape and muscles appearing in places where I had never seen them before I was instantly hooked this became my wonderful obsession my therapy and kept me on the straight and narrow no matter what life threw at me Alex believes that there is so much more to training than vanity He believes it empowers people to take control of their lives and gives them a daily sense of accomplishment It also gives them a healthy awareness of how everything they do and consume directly affects their mind and body Alex earned his degree in Sports Exercise Science from the University of Leeds UK in 2005 He is also the President of Singapore Federation of Bodybuilding Fitness SFBF The SFBF is the only federation in Singapore recognized by the International Federation of Bodybuilding and Fitness IFBB organizers of world renowned fitness and bodybuilding competitions namely Joe Weider s Olympia Weekend and The Arnold Classic Sports Festival
