Communicating in Small Groups: Principles and Practices Steven A. Beebe, John Masterson, 2013-10-03 Known for its wealth of practical relevant and up to date information **Communicating in Small Groups** balances the principles of small group communication with real world applications With an emphasis on real world examples technology and ethical collaboration the 10th edition of **Communicating in Small Groups Principles and Practices** helps students enhance their performance in groups and teams while giving them insight in to why group and team members communicate as they do

Communicating in Small Groups Steven A. Beebe, John Masterson, 2020 From our first edition to this our twelfth edition our goal in writing this book has remained the same to write a book that students find interesting and practical and that instructors find clear and comprehensive We are pleased that the previous 11 editions continue to be praised and widely used by both teachers and students and that our text remains a market leader We have written the twelfth edition of **Communicating in Small Groups Principles and Practices** to serve as the primary text for a college level course that focuses on group communication We continue to seek a balanced approach to presenting the latest small group principles informed by classic and contemporary research while also identifying practical practices that bring those principles to life

Communicating in Small Groups Principles and Practices Custom Edition (C) 2007 (Communicating in Small Groups Principles and Practices, Custom Edition) ,2007

Communicating in Small Groups Steven A. Beebe, John T. Masterson, 2004-12-21 Known for its wealth of relevant practical and up to date information **Communicating in Small Groups** continues to provide a balance of principles and applications of group communication With additional emphasis on teamwork technology and ethical collaboration **Communicating in Small Groups Principles and Practices** helps students enhance their performance in groups and teams while also giving them insight as to why group and team members communicate as they do

Communicating in Small Groups Steven A. Beebe, John T. Masterson, Thomas E. Harris (Ph. D.), John Sherblom, 2007

Communicating in Small Groups Steven A. Beebe, 2015

The Fundamentals of Small Group Communication Scott A. Myers, Carolyn M. Anderson, 2008-01-17 From the Publisher With a focus on the individual group member **The Fundamentals of Small Group Communication** encourages readers to reflect on how their communication behaviors and practices contribute to their current small group experiences In this easy to read text authors Scott A Myers and Carolyn M Anderson introduce students to the fundamental issues faced by all small groups such as socialization development ethics and diversity and the procedures

utilized by effective small groups The book is organized around three overarching themes characteristics of small group communication and the individual group member the group task and group member relationships Each chapter opens with a case study and includes an Ethically Speaking box that allows readers to reflect on how ethics is central to the small group communication process It is intended for undergraduate courses that introduce students to the basic fundamentals of small group communication

[Assessing Communication Education](#) William G. Christ, 2013-11-05 Designed as a handbook this text provides media speech public speaking interpersonal small group and organizational communication and theatre educators with both the theoretical and practical ammunition to fight the assessment battles on their campuses The philosophical implications of accountability are balanced with concrete specific and usable assessment strategies Stressing student faculty course program department and institutional assessment this book's aim is to provide in one place information that will help diverse and complex communication programs face the growing challenges in assessment The book is divided into three sections background and foundational information for assessment broad assessment strategies that apply to a variety of media speech and theatre courses and programs and context specific assessment strategies While covering a host of topics it provides an overview of assessment and suggests how it might impact communication education discusses the elements of program assessment and how linkage of mission statements with outcomes can lead to strong innovative programs compares and contrasts regional association requirements and presents a specific how to strategy for writing outcome statements discusses teaching evaluation and argues that we need to identify the what of teaching before we try to measure the how looks at creative ways for formative and summative course evaluation that starts with the creation of an explicit syllabus discusses the use of capstone courses as a way of evaluating not only their major but also how students have integrated their total educational experience suggests the variety of ways that interpersonal communication can be assessed and calls for future research that stresses the knowledge component of learning reports on a strategy for developing small group communication assessment

measures and provides media speech and theatre faculty and administrators with the background understanding and tools to build stonger programs and develop better courses and educational experiences for their students Small Group and Team Communication Thomas E. Harris,John C. Sherblom,2018-05-10 Much of contemporary communication occurs between and among small groups whether in person in a work setting or on the Internet via email Facebook or instant messages How we engage in our small group communication in each medium matters To be effective we have to consider our group roles norms cohesion process and phases of development as well as our personal verbal and nonverbal communication and listening styles To succeed as a member of a team we need to consider the limits of our personal experience and perspective recognize the creative strength of diverse perspectives in decision making and problem solving develop our conflict management skills and strengthen our leadership skills To be successful necessitates an understanding of group process participation style ethical group behavior and the influences of the medium Small Group and Team Communication explores all these different interconnections and the communication strategies we use in our work and social groups The authors use the systems perspective as their core approach throughout the text treating small groups as complex open systems reliant upon communication to achieve success Many chapters highlight the importance of considering ethics and diversity in relation to a variety of topics Harris and Sherblom address the growing influence of computer mediated communication to this discipline Real world applied examples show students that what they re learning aren t simply abstract concepts but knowledge that will serve them outside the classroom **Studyguide for Communicating in Small Groups** Cram101 Textbook Reviews,Steven a. Beebe,2012-01 Never HIGHLIGHT a Book Again Virtually all of the testable terms concepts persons places and events from the textbook are included Cram101 Just the FACTS101 studyguides give all of the outlines highlights notes and quizzes for your textbook with optional online comprehensive practice tests Only Cram101 is Textbook Specific Accompanys 9780205547210 *Interpersonal Relationships - E-Book* Elizabeth C. Arnold,Kathleen Underman Boggs,2015-01-08 NEW A greater emphasis on communication interdisciplinary theory and interprofessionalism includes a focus on the nursing paradigm nursing discipline and ways of knowing NEW Focus on QSEN competencies reflects current thinking on technology safety and evidence based practice especially as they relate to communication in nursing NEW Discussion questions at the end of each chapter encourage critical thinking NEW Clarity and Safety in Communication chapter addresses topics such as huddles rounds handoffs SBAR and other forms of communication in health care
