Covey, 2001-10-01 Teaches participants to achieve measurable results by focusing on the direction rather than speed and on alignment rather than control **Quicklet on Stephen Covey's First Things First** Kelli Dunham, 2012-04-04 ABOUT THE BOOK *First Things First* by Stephen R. Covey is New York Times Bestseller time management guide developed using Covey's principles of value driven decision making originally set forth in the blockbuster *The Seven Habits of Highly Effective People* The title of the book comes from the summary of the third habit Keep First Things First that is make sure the most important things in your life are actually your highest priority In the introduction Covey describes the genesis of *First Things First* in this way through our work at the Covey Leadership Center we've been in contact with many people from around the world and we're constantly impressed with what they represent They're active hard working competent caring people dedicated to making a difference Yet these people consistently tell us of the tremendous struggle they face daily while trying to put first things first in their lives MEET THE AUTHOR Kelli Dunham kellidunham.com is a registered nurse and author of four books of nonfiction including *The Boys Body Book* and *The Girls Body Book* both from Applesauce Press and *How to Survive and Maybe Even Love Nursing School* FA Davis an American Journal of Nursing 2005 Book of the Year She is also a stand up comic and has been seen on Showtime the Discovery Channel and the occasional livestock auction EXCERPT FROM THE BOOK For many of us there's a gap between the compass and the clock between what's deeply important to us and how we spend our time And this gap is not closed by traditional time management approach of doing more things faster In fact many of us find that increasing our speed only makes things worse In *How Many People On Their Deathbed Wish They'd Spent More Time At The Office* were introduced to the guiding concept of *First Things First* the difference between making daily decisions based on the clock

versus making daily decisions based on the compass The clock Covey explains represents what we do and how we manage our time Things like schedules goals meetings items that generally get written on to do lists that s what First Things First calls clock items

First Things First Stephen R. Covey,A. Roger Merrill,Rebecca R. Merrill,1994 In the spirit of THE 7 HABITS OF HIGHLY EFFECTIVE PEOPLE the international bestseller FIRST THINGS FIRST is a revolutionary guide to managing your time by learning how to balance your life Traditional time management suggests that working harder smarter and faster will help you gain control of your life and that increased control will bring peace and fulfilment The authors of FIRST THINGS FIRST disagree In the first real breakthrough in time management in years Stephen R Covey A Roger Merrill and Rebecca R Merrill apply the insights of the 7 HABITS to the daily problems of people who must struggle with the ever increasing demands of work and home life Rather than focusing on time and things FIRST THINGS FIRST emphasises relationships and results And instead of efficiency this new approach emphasises effectiveness Covey offers a principle centred approach that will empower readers to define what is truly important to accomplish worthwhile goals and to lead rich rewarding and balanced lives

[What's Best Next Study Guide](#) Matt Perman,2019-12-10 By anchoring your understanding of productivity in God s plan the What s Best Next Study Guide gives your study group or class a practical approach for increasing effectiveness in work and life There are a lot of myths about productivity what it means to get things done and how to accomplish work that really matters In our current era of innovation and information overload it may feel harder than ever to

understand the meaning of work or to have a sense of vocation or calling So how do you get more of the right things done without confusing mere activity for actual productivity Matt Perman has spent his career helping people learn how to do work in a gospel centered and effective way What s Best Next explains his approach to unlocking productivity and fulfillment in work by showing how faith relates to work even in our everyday grind The What s Best Next Study Guide a companion to What s Best Next and the What s Best Next Video Study offers a practical approach for improving productivity in all areas of life It will help you better understand How to create a mission statement for your life that s actually practicable How to delegate to people in a way that really empowers them How to overcome time killers like procrastination interruptions and multitasking by turning them around and making them work for you How to process workflow efficiently and get your email inbox to zero every day How to have peace of mind without needing to have everything under control How generosity is actually the key to unlocking productivity This twenty four session study guide includes Reflection questions for group and personal study Video teaching notes Frequent Bible references and quotes from Christian thinkers Ample space for notetaking Closing prayers at the end of each session Productivity isn t just about getting more things done It s about getting the right things done the things that count make a difference and move the world forward You can learn how to do work that matters and how to do it well
