WWW.GRAMMARIST.COM

Answer this paragraph editing activity by revising and editing it.

The laboratory tests are not suitable for the digital classroom due to the fact that there are inadequate software programs purchased by the institution. 3D simulations and tools like Project Noah and Prepmagic should be invested in by the institution. Therefore, the entire school believes that 5th grade Science quizzes should be improved by the instructional designers. Each classroom activity are also not aligned with the learning objectives because they only address lower-level thinking skills. This is through multiple-choice tests and identification items.
