**PAPER 1 – THE NATURE OF LAW & THE ENGLISH**  
**LEGAL SYSTEM (CRIMINAL LAW)**  
**MODEL ANSWERS AND REVISION EXERCISES**

The format of the AQA A Level Law Specification requires candidates to take **three** examination papers. Papers 1 and 2 are compulsory. These are on **Criminal Law** and on the **Law of Tort**, respectively. In addition, you will then need to take either Paper 3A on **Contract Law** or Paper 3B on **Human Rights**.

**Model Answer guides have been produced for all of these papers. Scan the QR Code at the end of this Handout to obtain details or use the website address provided.**

The format of all papers is the same: **11 structured questions** which, generally speaking, get progressively harder as you move through the papers.

All papers are **2 hours in length**, and you should be careful to divide your time appropriately for each of the questions e.g. do not spend half an hour on a question which is only worth 5 marks!

On each paper, **Questions 1 – 5 are multiple choice questions**, where you select the most appropriate answer out of a choice of four. You will not be required to write anything for these answers. You simply indicate your answer by filling in a box next to the answer you want to give.

**Question 6 will be a “short answer” question** about a factual aspect of criminal law. It will usually require two facts to be provided. It will be worth **5 marks** and you should spend approximately **5 minutes** writing your answer.

**Question 7 will also be a “short answer” question**, again worth **5 marks**. This time, the question will require some form of **brief application of the law**. It will normally involve an incident of just one or two lines, and you will be required to suggest an offence or briefly outline an actus reus etc. There is a temptation to spend too much time on these questions. It is only worth **5 marks** and therefore only spend approximately **5 minutes** on it.

**Question 8 is a longer question worth 10 marks**. Again, it will be an **application question**. You will need to read through a short scenario (about a paragraph in length) and you will need to suggest an offence (or perhaps two
