Unsettled Patricia Fumerton,2006-05 Migrants made up a growing class of workers in late sixteenth and seventeenth century England In fact by 1650 half of England s rural population consisted of homeless and itinerant laborers Unsettled is an ambitious attempt to reconstruct the everyday lives of these dispossessed people Patricia Fumerton offers an expansive portrait of unsettledness in early modern England that includes the homeless and housed alike Fumerton begins by building on recent studies of vagrancy poverty and servants placing all in the light of a new domestic economy of mobility She then looks at representations of the vagrant in a variety of pamphlets and literature of the period Since seamen were a

particularly large and prominent class of mobile wage laborers in the seventeenth century Fumerton turns to seamen generally and to an individual poor seaman as a case study of the unsettled subject Edward Barlow b 1642 provides a rare opportunity to see how the laboring poor fashioned themselves for he authored a journal of over 225 000 words and 147 pages of drawings Barlow s journal studied extensively here for the first time vividly charts what he himself termed his unsettled mind and the perpetual anxieties of England s working and wayfaring poor Ultimately Fumerton explores representations of seamen as unsettled in the broadside ballads of Barlow s time *Not Enough Room to Swing a Cat* Martin Robson,2018-01-25 This book explores the nautical history of some of our most common expressions in an entertaining and informative volume As the crow flies chunder cold enough to freeze the balls off a brass monkey three sheets to the wind many terms like these are used in everyday English language conversation and writing But how many landlubbers know that they derive from naval slang or know what the phrase originally referred to The navy has helped to shape modern society and is famous for its traditions quirks and nuances It is distinctly different to wider society and nowhere is this more evident than in language The naval community once had its own language incomprehensible to anyone who was not a sailor which described and explained his unique world But on shore leave these men introduced their language to the populations of bustling ports and harbours and the usage slowly spread inland Today through the mediums of film television and music naval slang has been brought to the wider public and has become fully integrated into the English language to point where many phrases are used by people who have no concept of their meaning Presenting terminology thematically this book provides a compilation of naval slang throughout the world from terms relating to ship handling and seamanship through to food and drink discipline and insults The text is further enhanced with original black line drawings that illustrate certain technical terms such as splice the mainbrace *Simon & Simon* ,1983 *Between the Devil and the Deep Blue Sea* Gord Rollo,2022-01-25 BETWEEN THE DEVIL AND THE DEEP BLUE SEA Charter fishing boat captain Miguel Santora is an honest man who s in serious trouble He s in over his head owing money and allegiance to a slimeball mafia boss named Alberto Tonelli who runs the shadier sections of Brooklyn with an iron fist As payback he s forced to let Tonelli and his goons have access to his boat the Amada Maria to drop some of their enemies dead bodies into the Atlantic Ocean chained to concrete cinder blocks THIS TIME THINGS ARE DIFFERENT Miguel s life goes from bad to worse as Tonelli and his massive henchman Hugo Taft show up unannounced with yet another body in need of disposal Only this time the man destined to be tossed overboard is still alive He s been beaten and tortured but he s still breathing Helping these thugs in the past was morally wrong but Miguel knows that assisting the mobsters this time means becoming an accomplice to murder But how can Miguel refuse Tonelli s orders without becoming a casualty of these ruthless men himself THE HORROR HAS ONLY JUST BEGUN Victor Matheson the condemned man is someone who harbors many secrets and he s far less helpless than anyone aboard the Amada Maria knows Before finally being thrown overboard chained to the heavy concrete block he confides in

Miguel that he is undrownable This revelation is only the beginning of a strange adventure that will see Miguel tested to the very limits of his sanity as he tries to uncover the truth of who this mysterious man really is His search will take him from the docks of Brooklyn s East River to the small coastal New England town of Newburyport where a secret race of horrific creatures and a century s old curse foretold in the fantastical stories of H P Lovecraft are preparing to unleash Hell on Earth
