Father Seraphim Rose:

Father Seraphim Rose Damascene (Hieromonk),2003 Not of this World Damascene Christensen,1994-03-01 Any Russian who knows his ancestral faith Orthodox Christianity knows the name of Father Seraphim Rose His writings the people say change lives During the Communist era they were banned today millions of copies are sold in bookstores all over Russia This comprehensive biography traces the spiritual odyssey of Father Seraphim setting forth his message and offering a glimpse into the soul of a man whose life showed the meaning of being in the world but not of it An inspiring introduction to a towering spiritual figure *Seriphim Rose* Cathy Scott,2000-09 For Orthodox Christians Fr Seraphim Rose is a voice crying in the wilderness His words have rekindled the love of countless Orthodox for the Church of their fathers Orthodox all over the world regard him as a saintly prophet and spiritual giant Cathy Scott Fr Seraphim s niece has collected 140 of his private letters never published before and incorporated them in this magnificent new biography that traces Fr Seraphim s intellectual journey chronicling the deep spiritual search that led him to the Orthodox Faith Containing 36 color photographs *Seraphim Rose The True Story and Private Letters* is the moving account of a spiritual passage from secular behavior and philosophy to vibrant faith and saintly monastic asceticism Cathy shares the memories of the family of Fr Seraphim or as they knew him Eugene The book includes over 30 color and black and white photographs In *Seraphim Rose* we share in one of the most inspiring spiritual pilgrimages of our time The Seraphinians Christos Jonathan Hayward,2015-08-15 Devotees of Fr Cherubim Jones Demand his Immediate Canonization and Full Recognition as Equal to the Heirophants Adamant devotees of Fr Cherubim Jones demand immediate canonization and full recognition as Equal to the Heirophants They have stepped beside their usual tactics of demanding canonization whether or not Fr Cherubim should be canonized and demanding that any problems be swept under the carpet to insist that he be called Equal to the Heirophants Much of the work in his wake was consolidated in the book *Christ the Eternal Doubt* Our devotee explained Blessed Cherubim Jones saw more than anything the spiritual toxicity of postmodernism And he sensed perhaps even more than he realized that the proper rebuttal to postmodernism is to reconstruct modernism indeed there are powerful modernist currents in his thought even when he seems to condemn all Western trends The great grandfather of modernism was Ren DesCartes and Blessed Cherubim Jones uncovered layer after layer of this philosopher whose very name means Born Again and whose Meditations put doubt on a pedestal and said in essence Doubt what you can what remains after doubt is unshakable And or Logos is interchangeable one might almost say homoousios with logic and with doubt And to quench the ills of the postmodern world Blessed Cherubim Jones mined a vein that would come together in the classic *Christ the Eternal Doubt* Fr Cherubim has left a considerable wake the tip of the iceberg is in his contribution to a wave of committed Evangelicals deciding that being Orthodox is an indispensable aid to pursuing their cottage industry of reconstructing the ancient Church The sycophant excitedly commented Yes there was an article on this phenomenon in *The Onion Dome* It was a bit like that article in *The*

Onion um what was it there was a woman a strong woman who overcame years of childhood abuse to become a successful porn star And this is nothing next to what happened when he was the only fashionable Orthodoxy the communist East could listen to Fr Cherubim was indeed very concerned that his version of the Fathers be adhered to He pointed out that many Church Fathers in giving the theology of the created world absolutely denied that matter was made from atoms and molecules but insisted that science properly interpreted proves that matter was made from the four elements earth air fire and water And he drew a line in the sand here and most of his Cherubinian devotees are extraordinarily suspicious about whether you can be Orthodox and believe anything like modern atheistic chemistry There is some slight controversy surrounding Fr Cherubim s teaching on the phantom tollbooth His position as carried forth by others is that practically every major element of The Phantom Tollbooth is already in the Fathers and is attested in quite ancient liturgy Consequently many argue the book The Phantom Tollbooth is no mere imaginative children s tale but an entirely literal factual account describing life beyond the mundane But as much as Fr Cherubim tried to break free of Western tendencies the concensus among non Cherubinians that part of his spiritual ambiance and a legacy among Cherubinians is in the words of one striking television commercial wacky wild Kool Aid style *The Seraphinians* C. J. S. Hayward, 2021-11-04 The pioneering Ur text about crazy convert syndrome convertitis convertodox Orthobros and their legendary central saint About this book This book is written primarily to document a large scale behavior problem It is also meant to provide a preliminary analysis of what is going on The movement is Protestant converts to Orthodoxy who are still fundamentalists and rally under the banner of Fr Seraphim In Fr Seraphim s *The Place of the Blessed Augustine in the Orthodox Church* Abbot Herman s preface reads FATHER SERAPHIM ROSE was by nature a warm hearted man Often he used to say It is noble to defend the underdog He felt obliged to defend those who were considered by society to be somehow in the wrong He believed that God was not necessarily on the side of those who are considered right and that those who are dismissed and held in a negative light are in a position to be pitied The latter said Fr Seraphim are the ones whom Jesus Christ came to save and therefore when he saw them being looked down upon he took their side Our Lord Jesus Christ said Judge not that ye be not judged Matt 7 1 Psychologically this means that in each act of judging another the judge identifies the negative aspect in himself which he does not like and thus projects it onto the other thereby receiving gratification He thinks that in this way he is getting rid of that negative aspect of himself whereas in reality he is only breeding and nurturing it Our contemporary converts have a tendency to do likewise They quickly become Orthodox and then assume that by their conversion they have automatically become infallible Thus they feel free to point out in others what in reality are their own faults disguising this as righteous judgment Instead of humbly seeing their own shortcomings which are the outgrowth of preceding generations of Western apostasy they often carry their Western legalism in the midst of the Orthodox Church and as a result they deform the ancient Orthodox tradition and substitute it with modernism In Russia this sickness has been identified by the term renovationism If

the course of contemporary converts will continue in the renovationist style making Orthodoxy fit into their own mentality rather than vice versa then their understanding of Orthodoxy will end up as a kind of anti Western legalism or to put it another way Western legalism in an Eastern Orthodox guise As Fr Seraphim saw this very legalism lies at the core of the Eastern Orthodox attacks on Blessed Augustine and he wanted to avoid it at all costs The opening quotes Fr Seraphim as saying I myself fear the cold hearts of the intellectually correct much more than any errors you might find in Augustine I sense in these cold hearts a preparation for the work of Antichrist whose imitation of Christ must also extend to correct theology I feel in Augustine the love of Christ The more the author reads of Fr Seraphim the more wondering there is if Fr Seraphim might be appalled by those who were under the banner of Blessed Seraphim Rose The author has refrained from praying Fr Seraphim of Platina protect me from your followers but now wonders if Fr Seraphim now stands before the throne of God and would welcome such prayers Our contemporary converts have a tendency to do likewise They quickly become Orthodox and then assume that by their conversion they have automatically become infallible reasonably describes many of this book s reviews and the amount of poison to be found in them leaves the author to wonder if Fr Seraphim would see him as an underdog
