Roma/Gypsies: A European Minority Jean-Pierre Liégeois, Nicolae Gheorghe, 1995-10-01 The Roma Gypsy community has been persecuted in Europe throughout history whether through banishment Roma Gypsy hunts or the Roma Gypsy Holocaust of the twentieth century Roma Gypsies A European Minority charts the course of these events on the Roma Gypsy consciousness and examines current day policies of exclusion containment and assimilation whilst also considering the position of Roma Gypsy communities in Eastern and Central Europe in the wake of the fall of communism The authors Jean Pierre Li geois and Nicolae Gheorghe renowned experts on this subject discuss European and international institutions responses to the growing sense of shared identity that exists among Roma Gypsy people highlighting the achievements that have been made to date and outlining the many issues still to be resolved To this end Roma Gypsies A European Minority concludes with a set of recommendations concerning identity non discrimination equality asylum participation education and self designation arguing that a European wide integrated approach to these issues is long overdue Please note that the terminology in the fields of minority rights and indigenous peoples rights has changed over time MRG strives to reflect these changes as well as respect the right to self identification on the part of minorities and indigenous peoples At the same time after over 50 years work we know that our archive is of considerable interest to activists and researchers Therefore we make available as much of our back catalogue as possible while being aware that the language used may not reflect current thinking on these issues
