**Entranced by Story** Hugh Crago,2014-04-24 We live in a world of stories yet few of us pause to ask what stories actually are why we consume them so avidly and what they do for story makers and their audiences This book focuses on the experiences that good stories generate feelings of purposeful involvement elevation temporary loss of self vicarious emotion and relief of tension The author examines what drives writers to create stories and why readers fall under their spell why some children grow up to be writers and how the capacity for creating and comprehending stories develops from infancy right through into old age Entranced by Story applies recent research on brain function to literary examples ranging from the Iliad and Wuthering Heights to Harold and the

Purple Crayon providing a groundbreaking exploration of the biological and neurological basis of the literary experience Blending research theory and biographical anecdote the author shows how it is the unique structure of the human brain with its layering of sophisticated cognitive capacities upon archaic emotion driven functions which best explains the mystery of story The Silent Twins Marjorie Wallace,2012-08-31 The astounding true story behind the major new motion picture starring Letitia Wright and Tamara Lawrance with a new epilogue from the author A compelling and tragic story Mail on Sunday When identical twins June and Jennifer Gibbons were three they began to reject communication with anyone but each other and so began a childhood bound together in a strange and secret world As they grew up love and hate united to push them to the extreme margins of society and following a five week spree of vandalism and arson the silent twins were sentenced to a gruelling twelve year detention in Broadmoor Award winning investigative journalist Marjorie Wallace delves into the twins silent world revealing their genius alienation and the mystic bond by which the extremes of good and evil ended in possession and death Breathtaking Independent Extraordinary Oliver Sacks New York Times Review of Books
