Business Analysis Project Solar Industry Tobias Bandt, 2011-03 Seminar paper from the year 2010 in the subject Business economics Operations Research grade 1 0 Anglia Ruskin University Business School language English abstract The purpose of this Business Analysis Project is to evaluate the current situation of the solar branch especially the German company Conergy Group The aim is to show the current changes within the branch and the influence on the business strategy of solar companies Furthermore the analysis will consider the following issues A situational audit of the branch and the Conergy Group This will contain an analysis of the macro and micro environments supported by a PESTLE and Porter 8 Forces Analysis Strategic Alignment Identification of the key success factors KSF of the branch evaluate the performance of Conergy and compare this with 2 other big players in the solar branch From this information I will identify potential changes inside of Conergy and develop a strategy map Another aim is the critical appraisal of the key figures and the current strategy of Conergy supported by using approved analysing methods in a literature review in order to show potential improvements as well as recommend strategy adaptations As a basis for the analysis of the key figures I will use the 2009 third quarter report and the 2008 annual report The advantage of using this quarterly report and comparing it to the 2008 annual report is that the effects of the economical crisis in 2009 are visible *Global Investment Decisions in the Circular Economy* Serhat Yüksel, *Neutrosophic Sets and Systems, Book Series, Vol. 27, 2019* Florentin Smarandache, Mohamed Abdel-Basset, Neutrosophic Sets and Systems has been created for publications on advanced studies in neutrosophy neutrosophic set neutrosophic logic neutrosophic probability neutrosophic statistics that started in 1995 and their applications in any field such as the neutrosophic structures developed in algebra geometry topology etc **Economic Strategies. Potential Improvements of Burberry** Marcel Strangmueller, 2018-03-21 Project Report from the year 2017 in the subject Business economics Business Management Corporate Governance grade 73 Queen Margaret University language English abstract An analysis of Burberry a luxury goods company using 6 different frameworks to help identify strategies as well as a SWOT TOWS analysis to uncover potential improvements of the company's performance Emphasis is set on strategies concerning the business environment international strategies and an evaluation of value created by Burberry for its customers After the TOWS a recommendation will be given that has the potential to increase performance significantly if used appropriately The following analysis will be based around three areas 1 the environment Burberry operates in 2 the value they add to the products and 3 the strategies Burberry uses to compete internationally A PESTEL analysis will be the start to determine external factors of the environment influencing Burberry's business following up on that will be Porter's 5 forces model to examine what the forces that influence the company and its competitors To analyse the strategic capabilities Burberry has a VRIO and a value chain will be used to see which activities add value to for the consumer Lynch suggest that the model for modes of entry and Porter's 4 international strategies are a good way to evaluate a company's international strategies so

those will be used in a combination for this report Burberry PLC is a manufacturer wholesaler and retailer based in London which operates in the luxury sector and is selling apparel and non apparel products on high quality standards The company has about 10 000 employees in over 500 stores around the world Its revenue in 2016 17 was about 2 8 billion and its EBIT close to 400 million making it one of the strongest companies in the UK Because of its high status and quality it received two royal warrants from Britain s royal family over the years giving the company high prestige and backing up their operations The sector of luxury goods is a fast paced highly competitive with strong names such as Gucci Luis Vuitton Prada and Hermes Designs change fast and so does fashion As most of the large luxury companies Burberry operates mainly in Europe the US and Asia The wealthy areas of central Europe with its high living standard the rising number of millionaires in China and India and the constant need of luxury in the United States give all prestigious companies reasons to expand and do business in those regions
