The Book of Hive Steve Dee,2020-07-06 Hive is a board game with a difference it does not have a board If you enjoy strategy games like chess and so long as you do not have an irrational fear of creepy crawlies Hive could be the game for you In this entertaining and easy to read book Hive addict Steve Dee will introduce you to the game and give you some tips on

how to become a good player You will find out about pinning and pin releases blocking circling piece selection openings elbows pockets deciding whether to attack or defend controlling placement how to use the pieces most effectively including the new expansion pieces playing defensively and common mistakes to avoid I like the book it does do a good job in introducing the game and has some good elements of tactics John Yianni inventor of Hive
