

# 5 Tips to Perfect Your Public Speaking Skills

Public speaking doesn't need to be scary! With these five easy tips, you can perfect your public speaking skills, and make sure you deliver a solid speech the next time you go up on stage!

1

## Maintain Eye Contact

This makes audience members feel like they are having a conversation with you, and also makes them more likely to pay attention to what you are saying!

## Use your arms and hands

2

People are more likely to remember concepts if they are associated with particular actions or movements.

3

## Smile

This will make your audience a lot more comfortable and relaxed.

## Walk around

4

Walk towards your audience; people tend to participate more when they have proximity to a speaker.

5

## Encourage participation

Ask questions. This will make the speech more engaging, memorable, and fun!
