**Amazing Grace** Lee Albert,2004-08-10 He was chosen meekly to die an inner death but had one gift hidden in his meek voice the gift of editing to starkness the quest that had entombed his captured soul Now the world can hear this child's plea as he brings to life the Holy Grail Quest Born into a culture of sexual ignorance and denial he is unable to realize his deepest dreams due to inexplicable fears and a deep sense of shame His life however is held together by a sense of the divine experience born from a love of singing He is driven to succeed and travels through 36 countries over 21 years Eventually realizing he is a captive prisoner he turns for help to a little known African plant He then watches in horror as his soul releases itself and begins a journey of reclamation We see through the author's naked self the underlying factors which give rise to modern Ireland as he struggles and ultimately succeeds to free himself from their chains the Irish psyche and its history are laid bare This the first of three books paves the way for an eclectic look at spirituality in the modern world in the context of African Spirituality Western History and the banished Child within and offers a powerfully effective old way adapted to the 21st century to heal the hurt and pain that lies in all of us *Amazing Grace at 250* Martin V.
