Let your child go on an amazing journey through the complete ABC along with all of the numbers between 0 and 75 using *Letter and Number Tracing Book for Children Ages 3-8: Fun Workbook to Learn the ABC and Numbers from 75 To 0 For Preschoolers and Kindergarten Kids*. This book will introduce the child writing numbers and letters in a fun and age appropriate way that can aid them in getting to understand the alphabet as well as the numbers ranging from 0 to 75. So your child is properly prepared and guided for school in the pre school or primary grades. This book has been divided in parts: letters and numbers. The learning process is organized by the following principles: Letters. Each letter represents a brand new area to your kid. First you need familiar with each letter and practice using the correct pen guideline by simply tracing the letter. Then you will be able to create words that contain the letter you've just learned. Your child will learn to place the letter into words. Instruct your child say the word in a loud voice in order to learn the sound that corresponds to it. Then let your child learn to write the letter independently and independently. Numbers. To comprehend the meaning behind number, the child begins counting pictures. As with letters, they must draw all the number. Once they're more proficient, free writing will follow the numbers you've learned about, but with guidelines making sure that the numbers are set at the right height. In both the learning process is conducted in a structured and meaningful framework that provides your child with confidence and inspires them to be aware of their own growth. Parents can guide their child to learn to write using

this book and offer the support needed In the end writing isn t for all children Parents must keep an focus on the right pen position and hand direction and be sure to celebrate each achievement by joking with their children For both letters and numbers that your child is learning encourage him or her to share the things they ve learned The more your child s senses are engaged in the process of learning the quicker and simpler to master it When you complete this exercise book the child will be competent to write upper and lowercase characters from alphabet to and the numbers ranging from 0 to 75 It is crucial that your child is able to learn and work according to their individual pace That is how you can continue the excitement and grow proficient in creating from one letter letter or from numbers to numbers An overview of the most important aspects of the book Ideal for children 3 to 8 years old A sensible structure that is designed to optimally support the process of learning Excellent training for pre school and kindergarten A enjoyable way to master how to count the numbers from 0 to 75 as well as the alphabets A Z designed and organized to accommodate children Encourages proper Pen Management and focus A lot of spaces for practice Lovely styles Play and learn together Get the benefit of Letter And Number Tracing Book For Kids Ages 3 5 and guide your child through an educational structure that will guide your child for writing numbers and letters Grab this book today **A Sourcebook of Elementary Curricula Programs and Projects** Far West Laboratory for Educational Research and Development, Samuel N.
