Caring for yourself is far from selfish, and self care is far from a new phenomenon, but it's recently been in the popular vernacular. With screens, work emails on our phones, notifications, and poor boundaries between ourselves and the world around us, taking time and making space for ourselves has become more and more important. With encouraging reminders, inspiring thoughts, easy wins, and practical advice, The Complete Guide to Self Care helps you identify your needs so you can relax, refuel, and find calm in your hectic life. This book tells you why mindset is key, how to nourish instead of punish yourself, how to exercise and sleep, and why it is important to go slow sometimes.
