Global Dialogue on Media Dynamics, Trends and Perspectives on Public Relations and Communication Fong Peng Chew, 2025-01-08 This book contains the proceedings of the International Conference on Public Relations and Media Communication PRMC 2024 which explore the dynamic intersections of public relations and media in today's rapidly evolving landscape. It has a repository of innovative research, insightful discussions, and emerging trends in digital media strategies, crisis communication, media ethics, public relations in the age of social media, and the impact of emerging technologies on media practices. It touches upon a wide array of topics and provides a comprehensive overview of the latest advancements and challenges in these fields. With innovative research contributions and case studies from around the world, this book will be instructive in shaping the way we look at the world of media and ourselves. This is a highly useful guide for university professors, research scholars, writers, journalists, and media professionals who wish to stay updated on the recent shifts in public relations and media communication.

Handbook of Research on Critical Issues and Global Trends in International Education Barker, Megel R., Hansen, Robyn Conrad, Hammer, Liam, 2023-11-24 The Handbook of Research on Critical Issues and Global Trends in International Education addresses the growing complexity and diversity of international schools by examining the critical issues and global trends faced by practitioners in this field. With a lack of research on the experiences and actions of school practitioners in these isolated workplaces, this book aims to provide practical and evidence-based solutions. The book covers a wide range of topics including equity and access, diversity, teacher retention, legal frameworks, school typology, governance, cultural competence, third culture kids, leadership, and practice, technology, and parent engagement. Written by educational professionals, researchers, and anthropologists, it offers a unique collection of voices from those with lived experiences in this field, making it an invaluable resource for anyone interested in gaining a deeper understanding of the international school sector. Whether you are an educator, researcher, policymaker, school leader, lecturer, or anthropologist, the Handbook of Research on Critical Issues and Global Trends in International Education is a must-read, comprehensive guide to the complexities and challenges of international education, providing practical solutions for improving the quality of education in this rapidly evolving field. If you are looking to gain a nuanced understanding of the critical issues facing international schools and evidence-based approaches for addressing these challenges, this book is the perfect resource for you.
