Library 3.0 Tom Kwanya,Christine Stilwell,Peter Underwood,2014-12-09 The emerging generation of research and academic library users expect the delivery of user centered information services Apomediation refers to the supporting role librarians can give users by stepping in when users need help Library 3 0 explores the ongoing debates on the point oh phenomenon and its impact on service delivery in libraries This title analyses Library 3 0 and its potential in creating intelligent libraries capable of meeting contemporary needs and the growing role of librarians as apomediators Library 3 0 is divided into four chapters The first chapter introduces and places the topic in context The second chapter considers point oh libraries The third chapter covers library 3 0 librarianship while the final chapter explores ways libraries can move towards 3 0 Focuses on social media in research and academic libraries Gives context to the discussion of apomediation in librarianship and information services provision Provides a balance between more traditional and more progressive approaches **The Routledge Handbook of FinTech** K. Thomas Liaw,2021-06-14 The Routledge Handbook of FinTech offers comprehensive coverage of the opportunities challenges and future trends of financial technology This handbook is a unique and in depth reference work It is organised in six thematic parts The first part outlines the development funding and the future trends The second focuses on blockchain technology applications and various aspects of cryptocurrencies The next covers FinTech in banking A significant element of FinTech mobile payments and online lending is included in the fourth part The fifth continues with several chapters covering other financial services while the last discusses ethics and regulatory issues These six parts represent the most significant and overarching themes of FinTech innovations This handbook will appeal to students established researchers seeking a single repository on the subject as well as policy makers and market professionals seeking convenient access to a one stop guide Libraries and the Global Retreat of Democracy Natalie Greene Taylor,Karen Kettnich,Ursula Gorham,Paul T. Jaeger,2021-11-04 Libraries and the Global Retreat of Democracy focuses on how libraries coordinate their work in political and information literacy and how these efforts can be improved the recommendations and examples within which will serve as inspiration and motivation to its readers Collection Management in the Cloud Kayla Kipps,Allison Kaiser Jones,2022-03-11 As remote work has become routine cloud based technology tools have become increasingly necessary to communicate with other library staff and with faculty and staff to continue providing seamless and uninterrupted access to library resources and collections for our campus community Cloud based technology tools such as Google Forms and Google Sheets are used to gather faculty requests for collection development tools such as Tableau are used to illustrate material budget balances and platforms such as Trello have been adopted to track subscription renewal cycles and manage other projects This guide discusses the benefits of using these powerful cloud based and little to no additional cost technology tools through the lens of a particular area in librarianship such as documentation data and project management communication data storage and data visualization While the real world examples provided throughout focus on

technical services staff operations specifically acquisitions and electronic collection management each tool's features and use cases are transferable among all areas of librarianship This guide provides insights into how collaborative dynamic and accessible these cloud based solutions are for a technologically shifting workplace as well as considers the challenges to adopting cloud based solutions such as administrative buy in aversion to change and steeper learning curves as well Readers will gain practical experiential examples that have been instrumental in creating efficiencies in collection management workflows for technical services staff The use cases illustrated exemplify enhancements that librarians can incorporate into their own collection management practices to further engage with their colleagues their patrons and their larger communities more effectively and efficiently
