Focus on The Six Step Guide to Effective Presentations This guide is a powerful organizational tool that can be used by speakers to present any type of speech for any occasion competently and confidently The guide has been used by students and faculty in the classroom leaders at conferences entrepreneurs in pitch competitions

business and industry professionals in the workplace people celebrating significant life events and even by an Arizona Supreme Court Justice while conducting business of the court Moreover these manuals are practical guides that are designed to help speakers prepare speech materials step by step deal with feelings of nervousness and effectively deliver their speeches The manuals contain clear and accurate explanations of speaking concepts descriptions about the purposes of different types of speeches and guidelines for how to adapt to various occasions and audiences A major advantage of these manuals is the inclusion of speech worksheets that take the guesswork out of speech development and allow the user to focus on the creative process making speech construction fun That s right FUN When using these manuals students shift from the tendency to see speaking as a performance to be judged and criticized Instead they start to focus on the elements that can be controlled and really matter such as creating high impact content connecting with the audience using appropriate delivery techniques and illustrating points with dynamic presentational aids
