Paperback Knitting And Crochet Manual:

The Columbia Book of Yarns Anna Schumacker, 1913 **The Columbia Book of Yarns** Anna Schumacker, 1916 The Columbia Book of Yarns Anna Schumacker, 2018-02-08 Excerpt from *The Columbia Book of Yarns* Containing a Manual of Knitting and Crocheting Make a loop in the yarn and put it on the left hand needle Slip the right hand needle into the loop throw yarn around the point of right hand needle draw it through and slip that loop on the left hand needle Put the right hand needle into the loop just made and repeat until you have the required number Of stitches About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Fleisher's Knitting & Crocheting Manual Fleisher. S.B. & B.W., inc., Philadelphia, 1910 **The Columbia Book of Yarns** Anna Schumacker, 2015-06-02 Excerpt from *The Columbia Book of Yarns* Containing a Manual of Knitting and Crocheting The beauty of the articles in this book comes of two things hand work and a fine yarn A hand worker with proper materials will give her work a delicacy a fineness of finish a character that no machine made work ever possesses But she must look to her yarns to do it She must find a lofty elastic even thread soft and thin to the touch made of a wool sensitive to the slightest gradation of shade and color The Columbia Yarns were used in making all the articles in this book and they meet the requirements With them work in yarns becomes an art and good results are easier and surer Stamped by public opinion as the best among yarns recognized as good Columbia Yarns cost in the beginning a trifle more than some others otherwise they could not be what they are In the end they are the cheapest of all For the cheapness of a yarn is determined not alone by what you pay for a hank of it but also by what the hank will do in quality and quantity of work The coarse unelastic thread of a common yarn will not reach as far as a yarn of a finer texture and besides the Columbia Yarns contain pound for pound more yards than common grades In the finished piece of knitting or crocheting Columbia Yarns mean not only quality but economy The brilliancy and shading in Columbia Yarns is unsurpassed There are no flat crude dead colors among them partly because of the way they are dyed and partly because of the quality of their thread A fine wool receives a color and retains the brilliancy of it where an inferior wool dyes into a lifeless displeasing shade Blacks in Columbia Yarns are guaranteed fast In preparing for your work therefore you should get Columbia Yarns They are standard even in quality and when you get to using them you find they demand less of your patience because they do not vary from package to package They are sold by the best retail stores throughout the country with but few exceptions Should your dealer not handle them write to us and we will refer you to the nearest store that handles the complete assortment About the Publisher Forgotten Books publishes

hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
