

# NCFE CACHE LEVEL 2 IN HEALTH AND SOCIAL CARE

## M2 HUMAN GROWTH AND DEVELOPMENT BOOKLET

NAME: \_\_\_\_\_

### About this unit

The human lifespan is a period of immense change. We start as helpless babies and depend on others for our survival. If we are fortunate, we go on to grow and develop through childhood and adolescence to become mature independent adults, capable of caring for ourselves and others until the ageing process takes its toll. In old age, we may again become dependent on others for our care. In this unit, you will learn about the stages of human growth and development and what influences them. You will look at some significant life events, from infancy to late adulthood, including the impact that these life events might have on the individual. Finally, you will learn how health and social care services in the UK support people throughout their lives.
