Enchantment

If an effect would create one or more tokens under your control, it creates twice that many of those tokens instead.

“Brave Syr Armont mused: Was the elves’ true nature that of day’s civility or night’s savagery? Could such bestial rage be bestowed by curse alone?”

—Curse of the Werewolf

Spider-Man Psychology Alex Langley,2023-05-30 Why didn t Peter Parker stop the burglar who killed Uncle Ben Are Spider Man s foes inherently evil or are they victims of circumstances beyond their control What do the many web slinging superheroes across the Spider Verse tell us about the choices we make in the world s we inhabit And who really wants to date a superhero anyway Especially an underdog like Spider Man Spider Man has been ranked among the best selling superhero characters since the 1960s often as the best selling superhero of all time Much of his popularity lies in his humanity and his status as the poster boy for neurotic superheroes In Spider Man Psychology Untangling Webs Travis Langley author of the acclaimed Batman and Psychology and Stranger Things Psychology is back with his team of expert contributors to plumb the psychological depths of our favorite friendly neighborhood Spider Man Drawing examples from comic book stories motion pictures including the animated blockbuster Spider Verse movie series and a few well known video games or TV cartoons Dr Langley and his team will untangle a variety of sticky psychological issues found throughout the famed web slinger s time tested saga to help readers better understand psychology

Understanding Relations Between Scripts Philippa Steele,2017-08-31 Understanding Relations Between Scripts examines the writing systems of the ancient Aegean and Cyprus in the second and first millennia BC principally Cretan Hieroglyphic Linear A Linear B Cypro Minoan and the Cypriot Syllabary These scripts of which some are deciphered and others are not are known to be related to each other However the details of their relationships with each other have remained poorly understood and this will be the first volume dedicated solely to this issue Nine papers aim to reach a better appreciation of relationships between writing systems than has been possible in previous research through an interdisciplinary dialogue that takes account of both features of the writing systems and the contextual factors affecting the way in which writing was passed on Each individual contribution furthers this aim by presenting the latest research on the Aegean scripts demonstrating the great advances in our understanding of script relations that are possible through such detailed and innovative studies

Relationships/Beziehungsgeschichten. Austria and the United States in the Twentieth Century Günter Bischof,2014-04-28 After the breakup of the Habsburg Monarchy the Austrian American relationship was characterized by a dwarf confronting a giant America continued to be a heaven for a better life for many Austrian emigrants For the growing American preponderant position in the world after World War I the small Austrian Republic was insignificant And yet there were times when Austria mattered geopolitically During the post World War II occupation of Austria the U S helped reconstruct Austria economically and was the biggest champion of its independence During the Cold War the U S frequently used Austria as a mediator site of summit meetings American mass production models consumerism and popular culture were adopted by Austrian youth Americanization and American preponderance also produced anti Americanism With the end of the Cold War and Austria s accession to the European Union it once again lost significance for Washington s geopolitics
