The book cover features a complex geometric design. The top half is divided into several colored regions: a teal triangle on the left, a light purple trapezoid in the center, and a dark purple trapezoid on the right. A dark purple horizontal band spans the width of the cover, containing the text 'Student Solutions Manual for'. Below this band is a large yellow-green rectangular area containing the main title. The bottom half of the cover is a dark purple field with two overlapping, light purple parabolic curves. On the right side, a vertical blue strip contains a series of horizontal tick marks, resembling a scale or graph axis. The authors' names are printed in yellow on the bottom left, and the publisher's name is in a yellow box on the bottom right.
