Performed Culture in Action to Teach Chinese as a Foreign Language Jianfen Wang, Junqing (Jessie) Jia, 2022-09-02 This volume explores best practices in implementing the Performed Culture Approach PCA in teaching Chinese as a foreign language CFL Offering a range of chapters that demonstrate how PCA has been successfully applied to curriculum instructional design and assessment in CFL programs and classrooms at various levels this text shows how PCA s culture focused paradigm differs fundamentally from the general communicative language teaching CLT framework and highlights how it can inspire innovative methods to better support learners ability to navigate target

culture and overcome communication barriers Additional applications of PCA in the development of learner identity intercultural competence autonomy and motivation are also considered Bridging theoretical innovations and the practice of curriculum design and implementation this work will be of value to researchers teacher trainers and graduate students interested in Chinese teaching and learning especially those with an interest in incorporating performance into foreign language curriculums with the goal of integrating language and culture

Usage-Based Second Language Instruction

Ian Pemberton,2024-03-05 This book proposes an innovative pedagogical approach Usage Based Second Language Instruction which continues the tradition of challenges to existing paradigms such as Steven Krashen s Natural Approach and Michael Lewis Lexical Approach It begins by analysing historical teaching methods to make the case for change The author argues that Communicative Language Teaching lacks a theory of learning and overemphasises spoken production as a result The book then examines theories of first language acquisition to establish a theoretical basis for change It finds that usage based theories offer a highly plausible account of language learning The author sets out six principles to guide the application of usage based theory to second language learning The book will be of particular interest to students and researchers of Applied Linguistics and Language Education

English Language Training in the Workplace

Qing Xie,2016-07-18 Workplace English language training programs represent a corporate investment in language skills enhancement and human capital development This book evaluates English language training programs in Chinese workplaces by examining a range of training effectiveness variables and identifying the factors that facilitate or hinder effective learning outcomes for workplace English training programs and explores the potential benefits of these programs This book will benefit both companies that are developing their training and development strategies and private training organizations that are developing training programs for particular industry and business needs It will also be an excellent resource for learners who are seeking business English communication skills opportunities and trainers who are refining their workplace teaching practice This book reiterates the significance of business English communication skills development programs in terms of the benefits to economic globalization human capital development employability sustainable livelihoods and lifelong learning in China Having conducted a policy evaluation at both the national and local levels this book also informs policy stipulation for corporate employee language training schemes Although this book primarily examines corporate experience in China the findings and recommendations will have important implications for other countries in Asia and worldwide

Adopting the Melody of Appearance: An Emotional Symphony within **Communicative Language Teaching In Action Putting Principles To Work**

In a world consumed by screens and the ceaseless chatter of quick connection, the melodic splendor and mental symphony developed by the published term usually diminish into the background, eclipsed by the persistent sound and disruptions that permeate our lives. But, located within the pages of **Communicative Language Teaching In Action Putting Principles To Work** a marvelous fictional prize full of raw emotions, lies an immersive symphony waiting to be embraced. Constructed by a masterful musician of language, that charming masterpiece conducts visitors on a mental journey, well unraveling the hidden melodies and profound influence resonating within each carefully crafted phrase. Within the depths of the emotional review, we shall examine the book's key harmonies, analyze their enthralling publishing type, and submit ourselves to the profound resonance that echoes in the depths of readers' souls.
