## **Economic 7th Edition:**

Principles of Economics Asia-Pacific Edition with Online Study Tools 12 Months Joshua Gans, Robin Stonecash, Martin Byford, Gregory Mankiw, Stephen King, Ph.D., Jan Libich, 2017-10-26 Principles of Economics 7th edition combines microeconomics and macroeconomics into one volume for students who take a full year's course. The latest edition of this text continues to focus on important concepts and analyses necessary for students in an introductory economics course. In keeping with the authors' philosophy of showing students the power of economic tools and the importance of economic ideas, this edition pays careful attention to regional and global policies and economic issues such as climate change and resource taxation, the impacts of the ongoing global financial crisis, inflation, unemployment, interest rates, monetary and fiscal policy.

*Economics - 7th Edition* Samuels and Nordhaus, *Essentials of Economics* John Sloman, Dean Garratt, 2016. Were you looking for the book with access to MyEconLab? This product is the book alone and does NOT come with access to MyEconLab. Buy *Essentials of Economics 7th edition with MyEconLab access card* ISBN 9781292170121 if you need access to MyEconLab as well and save money on this resource. You will also need a course ID from your instructor to access MyEconLab. Want to see economics in action? Visit the Sloman Economics News Site for a blog that's updated several times a week with current affairs and topical stories, all linked to your textbook so you can explore the background to the issues more deeply. This new edition of the market-leading *Essentials of Economics* has been updated with the most recent data and coverage of economic issues as the world tries to recover from global financial turmoil and looks at explanations of how consumers and firms really behave. Its classic features and clear and engaging writing style is complemented by strong theoretical coverage and a wealth of pedagogical features to support learning. *Economic Issues and Policy - 7th Ed* Jacqueline Brux, 2018-08-30. *Economics* Douglas McTaggart, Christopher Charles Findlay, Michael Parkin, 2012. High quality, engaging content for students, ultimate flexibility for educators. The seventh edition of this benchmark Australian text continues to offer students a comprehensive and relevant introduction to economics whilst offering educators the ability to customise and deliver content your way. *Economics 7th edition* provides a streamlined approach to study and recognises the difficulties some students may face in comprehending key concepts. By leaving the more technical content and application until later, students can enjoy the more exciting policy material from the beginning and engage with the content early. Through compelling examples, clear explanations, and the latest instructive on-line resources, the text draws students into the content and reinforces learning through practice and solving problems which are relevant to them. The authors train students to think about issues in the way real economists do and learn how to explore difficult policy problems and make more informed decisions by offering a clear introduction to theory and applying the concepts to today's events, news, and research. A new and innovative suite of learning and teaching solutions accompany the text, including the free Study on the Go mobile app and tighter integration with MyEconLab, all designed to help lecturers deliver a successful course.
