Outlines of Islamic Culture Mahomed Abbas Shushtery,1954 **The different aspects of islamic culture** UNESCO,1998-12-31 This volume the first of six to be published studies fundamental values of Islam along with the nature of rights and the responsibilities in a general context The authors analyse the development of social thought and morality in Islam and ways in which they are enforced through the family and education Particular attention is paid to the status of women children youth and the socially excluded Several chapters broach specially Islamic approaches to economics government and justice A world religion since its inception in the seventh century A D Islam is today seeking vigorous answers to contemporary problems through its multi faceted history Issues of poverty and wealth inequality and demands for political expression and respect for diversity in a difficult world of conformity are dealt with in this series The study is organized along thematic rather than chronological lines and thus it is not necessary to read the volumes in order Volume II is in fact the first to have been published Volume IV is forthcoming end 2002 volume V mid 2003 and volumes III and VI in 2004 This volume the first of six to be published studies fundamental values of Islam along with the nature of rights and the responsibilities in a general context The authors analyse the development of social thought and morality in Islam and ways in which they are enforced through the family and education Particular attention is paid to the status of women children youth and the socially excluded Several chapters broach specially Islamic approaches to economics government and justice

Social Aspects of Islamic Culture Shahid Ashraf,2006 **Some Glittering Aspects of Islamic Civilization** M. Sibai,1988-05-01 *Contributions to the History of Islamic Civilization* Salahuddin Khuda Bukhsh,1930 **Diversity and Unity in Islamic Civilization** Mirza Iqbal Ashraf,2017-03-17 An erudite and invaluable contribution to the philosophical religious political cultural and historical dynamism of the Islamic civilization ZARREEN AKBAR Scholar of Islamic Literature In this exceptionally impressive and brilliant book Mirza Ashraf rationally discusses and analyses the diversity and unity in Islamic civilization Addressing many contemporary issues of concern including terrorism he proves philosophically that Islam

united different tribes races and nations within its civilization while keeping their socio cultural diversity intact In this process of cultural amalgamation Islam no more remained exclusively an Arab phenomenon It became a multi cultural transnational socio political and economic civilization The author of this illuminating book has shown an intrinsic picture of Islam which I believe could not be more timely Dr MOJAHID MIRZA author of Quagmire of Being and an Independent Journalist and Broadcaster stationed at Moscow Beginning with its founder Prophet Muhammad Islamic civilization as a world religious cultural and political force with rich varied and abundant literature Mirza Ashraf has presented an insightful analysis of this civilization It progressed because of its universal human values with efforts to initiate progress in all fields of learning This book is a timely contribution to the present tension between Western and Islamic civilization It explicates that the strain of recent cataclysm is focused on Islam as a religion while its political and cultural aspects which are the core of its civilization are being ignored Dr MUHAMMAD HAFEEZ author of Human Character and Behavior The Mission and Destiny of Humankind and Who are the Believers *Islamic Civilisation and The Modern World* Osman Bakar,2015-01-21 This book presents a thematic treatment of Islamic civilisation Each of the fourteen chapters comprising this book treats at least one of the major themes that are characteristic of this youngest religiously based civilisation of the world The author s thematic approach is primarily meant to promote a better appreciation of the living nature of Islamic civilisation The book s content provides ample evidence that Islamic civilisation is not merely a passing historical phenomenon The various themes it discusses clearly demonstrate the continuing relevance of Islamic civilisation to the present and future humanity
