

HETP and Pressure Drop Prediction for Structured Packing Distillation Columns Using a Neural Network Model

Amanda K. Whaley,[†] Christopher A. Bode,[†] Joydeep Ghosh,[‡] and R. Bruce Eldridge^{*,§}

Department of Chemical Engineering, Department of Electrical and Computer Engineering, and The Separations Research Program, The University of Texas at Austin, Austin, Texas 78712

A neural net framework was used to predict the mass-transfer and hydraulic performance of a commercial structured packing operating in distillation service. The results indicated that the approach produced a more accurate prediction than a traditional semiempirical model. The neural net methodology was also used to yield a detailed sensitivity analysis of the operating variables.

Background

The mass-transfer performance of a commercial structured packing is traditionally expressed as a height equivalent to a theoretical plate (HETP). This is the height of packing required to produce a separation identical in composition to that of an ideal device in which the exiting vapor and liquid are in thermodynamic equilibrium. The HETP value is used in combination with the predicted pressure drop performance to fix the design for a commercial packed distillation column.

Various semiempirical models have been proposed to predict structured packing mass-transfer and hydraulic performance. Lockett (1990) conducted a detailed evaluation assessment of various algorithms and concluded that the model of Rocha et al. (1996a,b) provided the most accurate, fundamentally sound, prediction of HETP and pressure drop. Structured packings consist of a system of regularly ordered crimped plates with well-defined flow channels. Semiempirical models used to predict mass-transfer and hydraulic performance take advantage of this degree of uniformity by introducing geometry-dependent parameters. The Rocha-Bravo-Fair model incorporates packing geometry, fluid physical properties, and flow parameters to yield the following predictive expressions:

Effective mass-transfer area (a_d)

$$\frac{a_d}{a_s} = F_{eff} \frac{29.12(Wb_1 F r_{b_1})^{0.17} S^{0.188}}{Re_b^{1.2} Sc_b^{0.33} (1 - 0.93 \cos \gamma) (\sin \theta)^{0.33}} \quad (1)$$

Mass-transfer coefficients (k_L, k_G)

$$k_L = 2.0 [(D_L C_L U_{L,w})^{0.5} (v+S)^{0.25}]^{0.75} \quad (2)$$

$$k_G S i D_{G,c} = 0.054 [U_{G,w} + U_{L,w} (v/S)^{0.5}]^{0.75} (D_{G,w} D_{G,c})^{0.25} \quad (3)$$

[§] The Separations Research Program.

HETP

$$\text{HETP} = (U_{G,w} k_G a_d + U_{L,w} k_L a_d) (\ln \lambda / (\lambda - 1)) \quad (4)$$

The Rocha-Bravo-Fair model, like all similar semiempirical models, is computationally complex and requires many inputs and intermediate calculations (Rocha et al., 1996a,b). It also relies on experimentally determined factors for each different packing and chemical system. Thus, this application seems suitable for data-driven nonlinear modeling approaches such as certain artificial neural networks. This paper presents a thorough investigation of the suitability of a neural net based approach (MLP) for this problem. A useful side effect of this approach is that the receptive fields of the hidden units can be inspected and a sensitivity analysis can be performed to reevaluate the usefulness of the input parameters used in the traditional model. Traditional models are only strictly valid for chemical systems that have similar properties, and similarly a neural network model is only valid for systems that are reasonably characterized by the training data.

The data set used to train and test the network is a data set that was collected at The Separations Research Program, The University of Texas, as part of a program for testing structured packing (Garcia et al., 1995, 1996). The data set consists of 240 data points for a cyclohexane-heptane system. The data include HETP and pressure drop values for four different operating pressures (0.33, 1.03, 1.65, and 4.14) and for the four types of Montz structured packings (see Table 1).

The data set includes the physical properties of the mixture for each operating pressure, the packing characteristics, and the experimental HETP and pressure drop values. Initially, the neural network was based on the same 15 inputs (see Table 2) as the traditional model. Subsequent sensitivity analysis led to a substantial reduction in the number of inputs.

Neural Network Model for Predicting HETP

We used an MLP with 10 hidden units, each with a tanh activation function, and one linear output unit to

Table 1. Packing Characteristics

name	specific area (1/m)	crimp angle of packing (deg)	surface treatment
Montz B3-400	400	45	perforated
Montz B3-400-60	400	60	perforated

Heat And Pressure Drop Prediction For Structured Packing

J. D. Seader, Ernest J. Henley, D. Keith Roper

Heat And Pressure Drop Prediction For Structured Packing:

The book delves into Hetp And Pressure Drop Prediction For Structured Packing. Hetp And Pressure Drop Prediction For Structured Packing is a vital topic that needs to be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Hetp And Pressure Drop Prediction For Structured Packing, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:
 - Chapter 1: Introduction to Hetp And Pressure Drop Prediction For Structured Packing
 - Chapter 2: Essential Elements of Hetp And Pressure Drop Prediction For Structured Packing
 - Chapter 3: Hetp And Pressure Drop Prediction For Structured Packing in Everyday Life
 - Chapter 4: Hetp And Pressure Drop Prediction For Structured Packing in Specific Contexts
 - Chapter 5: Conclusion
 2. In chapter 1, this book will provide an overview of Hetp And Pressure Drop Prediction For Structured Packing. This chapter will explore what Hetp And Pressure Drop Prediction For Structured Packing is, why Hetp And Pressure Drop Prediction For Structured Packing is vital, and how to effectively learn about Hetp And Pressure Drop Prediction For Structured Packing.
 3. In chapter 2, the author will delve into the foundational concepts of Hetp And Pressure Drop Prediction For Structured Packing. The second chapter will elucidate the essential principles that must be understood to grasp Hetp And Pressure Drop Prediction For Structured Packing in its entirety.
 4. In chapter 3, the author will examine the practical applications of Hetp And Pressure Drop Prediction For Structured Packing in daily life. The third chapter will showcase real-world examples of how Hetp And Pressure Drop Prediction For Structured Packing can be effectively utilized in everyday scenarios.
 5. In chapter 4, this book will scrutinize the relevance of Hetp And Pressure Drop Prediction For Structured Packing in specific contexts. The fourth chapter will explore how Hetp And Pressure Drop Prediction For Structured Packing is applied in specialized fields, such as education, business, and technology.
 6. In chapter 5, this book will draw a conclusion about Hetp And Pressure Drop Prediction For Structured Packing. The final chapter will summarize the key points that have been discussed throughout the book.
- This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Hetp And Pressure Drop Prediction For Structured Packing.

Hetp And Pressure Drop Prediction For Structured Packing Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information.

Hetp And Pressure Drop Prediction For Structured Packing

No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Hetp And Pressure Drop Prediction For Structured Packing PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Hetp And Pressure Drop Prediction For Structured Packing PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Hetp And Pressure Drop Prediction For Structured Packing free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your

fingertips.

FAQs About Hetp And Pressure Drop Prediction For Structured Packing Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Hetp And Pressure Drop Prediction For Structured Packing is one of the best book in our library for free trial. We provide copy of Hetp And Pressure Drop Prediction For Structured Packing in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Hetp And Pressure Drop Prediction For Structured Packing. Where to download Hetp And Pressure Drop Prediction For Structured Packing online for free? Are you looking for Hetp And Pressure Drop Prediction For Structured Packing PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Hetp And Pressure Drop Prediction For Structured Packing. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Hetp And Pressure Drop Prediction For Structured Packing are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Hetp And Pressure Drop Prediction For Structured Packing. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition

book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Hetp And Pressure Drop Prediction For Structured Packing To get started finding Hetp And Pressure Drop Prediction For Structured Packing, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Hetp And Pressure Drop Prediction For Structured Packing So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Hetp And Pressure Drop Prediction For Structured Packing. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Hetp And Pressure Drop Prediction For Structured Packing, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Hetp And Pressure Drop Prediction For Structured Packing is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Hetp And Pressure Drop Prediction For Structured Packing is universally compatible with any devices to read.
